Bulldogs Win Tourney Game

**Fairland Cagers
Faced in Second
Game on Friday**

Bloomington's Bulldogs were slow getting started, but once they got going they had little trouble winning their first southeastern Ohio district tournament game from Oak Hill, 72 to 53, Tuesday night in the Clay High School gym near Portsmouth.

That victory gave them the right to go into the second round of the tournament against Fairland, one of the toughest outfits in the tournament with a 15-1 class A record and a 5-1 class AA record—20 wins and 2 losses overall for the season. Fairland trounced Huntington, 72-52, Tuesday night just before the Bloomington boys took the floor.

The Bulldogs, tense and with a mild case of tournament jitters, did not get settled down until well along the first period in their game with Oak Hill and it looked like anybody's game until the start of the second half.

The Fayette County champions held only a 14-13 edge at the end of the first period and were ahead by a shaky seven points at the half-time.

The Bulldogs missed their first five free throws, but after that they hit a phenomenal 24 out of the next 28.

AFTER the intermission, the Bloomington outfit was all business. The jitters were gone, and the passing was more accurate and the

Quail Hunting Bill Gets OK At Hearing

COLUMBUS (AP)—The Senate Conservation Committee heard pleas Tuesday for approval of a bill to allow quail hunting in Ohio.

Opponents will testify in another hearing next week. Sen. Lowell Fess (R-Greene), sponsor of the measure, said Ohio should follow the example of neighboring states where quail hunting is allowed.

Quail was taken from the protected songbird list in 1949 and declared a game bird for propagation purposes only.

Fess won approval of an amendment to his bill which would empower the Ohio Wildlife Council to set the length of any quail hunting season. The bill as introduced provided a 10-day season.

"There is no danger of quail becoming extinct or rare as a result of hunting," Fess asserted. "Areas of northern Indiana, Illinois and Wisconsin, which have low quail populations, have supported hunting for many years."

Erwin Bauer, Ohio Conservation Bulletin Editor, said enactment of the bill would be of special benefit to hunters in southeastern Ohio. "Southeastern Ohio has some of the finest quail cover in the nation," he said.

Cincy Vote Fraud May Be Re-Tried

COLUMBUS (AP)—The Ohio Supreme Court today returned the vote fraud case of Robert Gaghan to Hamilton County common pleas court for further proceedings.

The 6-0 decision reversed an appellate court that in turn had reversed Gaghan's conviction on a charge of falsifying figures in a 1954 recount of votes. Gaghan was a Republican witness in Cincinnati's Ward 20.

"There is sufficient evidence," the Supreme Court said, "to have raised a jury question as to defendant's guilt, and in such a situation, the sole function of the court of appeals is to set aside the judgment and remand the cause for a new trial."

Two Places in Sabina Robbed During Night

SABINA — Five burglaries — perhaps related — were reported in three southern Ohio counties Tuesday night and Wednesday morning. Two of them occurred here in Sabina.

Burglars got a total haul of a half dozen guns, ammunition for them, and perhaps \$40 in cash. Further checking was needed to verify the amount of cash taken.

Burglaries in Sabina were the Farmer's Exchange and the Sabina Farm Bureau office. Robbers also broke into Dunn's refrigerator sales and service store in Clarksville, McClure's Warehouse in Bainbridge, Ross County, and the K & H Hardware Store in West Union, Adams County.

CLINTON COUNTY Sheriff Floyd

BLOOMINGTON'S Gary McConaughy (No. 3) does a ballet split as he attempts to get off a pass to teammate Bob Riley (No. 10). Despite the efforts of three of Oak Hill's classy defenders, McConaughy completed the pass and Riley made the basket. Bloomington won, 72-53. (Record-Herald photo)

2 More Marines Convicted Of Mistreating Recruits

PARRIS ISLAND, S. C. (AP)—A full-voiced Marine staff sergeant was convicted Tuesday of assault on a recruit at this basic training post.

A special court-martial sentenced William E. Rich, 23, Canton, N. C., a twice-wounded veteran of

Korea, to reduction to the rank of sergeant and a fine of \$50 a month for three months.

Another drill instructor, Sgt. Clinton L. Jones, Pensacola, Fla., had been tried simultaneously with Rich on charges of mistreating recruits. He was broken to private

first class, ordered confined for 30 days and fined \$50.

Rich, one of four drill instructors, accused of mistreating recruits, was convicted of assault "consummated by a battery" on Pvt. Kenneth Allen Benjamin, New York City.

Originally, he was also accused of striking Pvt. Laverio Glusich, Brooklyn, N. Y. and Pvt. Dominick Tomaro, East Paterson, N. J., and choking Pvt. Gaetona Inglima, North Bergen, N. J.

He denied everything.

As the charges were originally presented, Rich could have received a bad conduct discharge, reduction to private, six months at hard labor and forfeiture of two thirds of his pay (\$183.40 a month) during confinement.

Tomaro was tried on charges of disobeying orders and given a 30-day suspended sentence.

Rich brought a smile to the court when he told of having missed about 5 a. m. Jan. 10 and finding Tomaro missing.

"I fell 'em in to see that I hadn't lost none during the night. I came up one short and they told me it was Tomaro. I went into the hut and he was still sleeping. I waked him and asked him if he wouldn't like to go along with the others. He said he couldn't walk. I assisted him out of the sack."

Afterward, Rich testified Tomaro went to sick bay. Tomaro said in his testimony Rich struck him Jan. 10, though it might have been "unintentional."

Rich classed Benjamin's attitude toward the Marine Corps as "poor and filled with resentment. If you called him down in front of anybody else, he'd just about break into tears."

As for Glusich, Rich said, "he is a pretty good boy. I can't understand why he would want to do anything like this."

As for Tomaro, Rich said, "he just didn't have it. . . he wasn't worth wasting time on."

Fire Marshal Ban Given Court's Nod

WASHINGTON (AP)—The Supreme Court has ruled, in effect, the fire marshals can bar lawyers during fire investigations.

In a 5-4 vote, the high court sustained lower court rulings against two Dresden, Ohio, men, who refused to answer questions during a closed fire investigation unless their attorney were present.

The two, Harry and Nathan A. Groban were charged with contempt and released on \$100 bond in a case involving a fire at their Bush Woolen Mills Co. plant at Dresden, about 12 miles north of Zanesville, in February, 1953.

Backing Sought For New U. S. Israeli Plan

UNITED NATIONS, N. Y. (AP)—The United States sought support today for a compromise plan to get Israeli troops out of Egypt and the Gaza Strip without resort to sanctions.

Observers predicted such a plan would run into bitter opposition from the Arab states, which had been counting on American support for their sanctions demand.

Details of the U. S. proposal were not disclosed, but U. S. delegation sources said it probably would contain ideas put forward Tuesday by Canadian Foreign Secretary Lester Pearson.

The U. S. plan reportedly has two key aims—immediate withdrawal of Israeli troops and insurance that there will be no revival of hostilities.

The American sources said it would omit the call for sanctions spelled out in an Asian-African resolution now before the Assembly. Reports were current, however, that the U. S. plan would try to meet Arab objections by providing that if the Israelis did not pull out within a certain time, the Assembly would consider penalties. A resolution with no punitive clause would arouse the ire of the Arabs.

Pearson's four-point proposal called for Israel and Egypt to promise to observe the provisions of their 1949 armistice, for the U. N. Emergency Force to be deployed along the armistice line and the Gulf of Aqaba, Egyptian agreement not to interfere with freedom of shipping in the gulf, and a U. N. administration to gradually take over from the Israelis in the Gaza Strip.

BERLIN (AP)—The West Berlin tabloid Nacht-Deutsche reported today Russia is building four rocket missile bases in Czechoslovakia that could threaten Paris and London.

CHESTERFIELD, England (AP)—Five hundred miners are on strike because their tea is too weak. The men said the mine bosses had ordered their canteen manager to use fewer tea leaves, then fired the manager when she complained that the men didn't like the resulting brew.

BELFAST, Northern Ireland (AP)—The outlawed Irish Republican Army planted 10 bombs in four parts of the country Tuesday night timed so all blew up at exactly 9:30 p. m., police reported.

The blasts wrecked electric and telephone equipment in the four areas and plunged several towns into darkness but caused no injuries.

TOKYO (AP)—The United States today paroled another Japanese war criminal, former Col. Chiyoshi Shimoda, who has been serving a 40-year sentence.

TOKYO (AP)—The Communists spent 20 million dollars on propaganda in Japan last year, a U. S. Embassy spokesman told a group of visiting U. S. editors.

HONG KONG (AP)—A two-day search has failed to find a trace of the little British coastal freighter Hydrakol and its crew of 31 — last heard from calling for help from the Red China coast. Shipping circles expressed fear today the 980-ton ship had gone to the bottom of the East China Sea after an adventurous career in the postwar China trade.

LONDON (AP)—The House of Commons Tuesday night voted 160-38 against a proposal to let Church of England and Roman Catholic clergymen be eligible for election to Parliament.

Algerian Rebels Claim New Setup

TUNIS (AP)—Leaders of the Algerian nationalist rebellion's headquarters in Tunis today claimed that their movement has developed into a well-organized insurrection complete with a "war cabinet" and radio.

Phone Union OKs Pact Ending Strike

Soviets Disgust U. S. GI Turncoat

HONG KONG (AP)—The youngest American turncoat of the Korean War left Red China today saying he quit the Communist mainland in disgust over the "wanton killing by Russia in Hungary."

Samuel David Hawkins, now 23, declared he had made it plain to the Red Chinese authorities he wanted to leave because of the Soviet Union's action in putting down the Hungarian rebellion.

The Oklahoma City youth, only 21 when he defected to the Reds, reported that the Chinese did not try to stop him.

Hawkins is the seventh to come home of 21 U. S. soldiers who were captured during the Korean

fighting and chose to remain with the Communists. One died in China and 13 are still there.

The returnee came from Canton to the border by train and crossed the border on a railroad bridge on foot. He was met by U. S. Vice Consul S. M. Backe.

Backe questioned him and said he was satisfied the youth had not forfeited his U. S. citizenship. Hawkins will be given a one-way passport to the United States.

His citizenship would have been forfeited automatically if it had been found that he had served in a foreign army, voted in a foreign election, or done similar things. He was dishonorably discharged from the Army in 1954.

Hawkins said he considered the 42 months he spent in Red China "pretty much wasted."

"I feel I've made pretty much of a fool of myself," he added. Asked by reporters if any of the 13 American servicemen still remaining with the Communists intend to return to the U. S., Hawkins replied "perhaps."

"Perhaps they (the Chinese) would be much happier if they left," he said, but refused to name those to whom he referred.

"I personally don't like it," Hawkins said of the Red Chinese regime, "but if the Chinese like it, I have nothing to say. They seem to."

Hawkins said there was "not so much" free thinking among Chinese students. He added that he got his information on the Hungarian rebellion from Hungarian students in Peiping. He said he also listened to the Voice of America and other non-Communist broadcasts.

Hawkins termed the Chinese attitude toward Russians in China "quite good. They call them 'big brothers' and go all out for them."

Hawkins said he went into combat Aug. 22, 1950, and was taken prisoner Dec. 1.

He ran a prison camp newspaper, he added, and was "termed progressive," a tag given prisoners who collaborated with their captors. A "certain element of fear" made him decide not to return to the United States after the truce was signed, he continued.

SEVERAL hundred miles to the southeast, residents of Weiser, Idaho, left their homes as the Weiser River went over its bank and poured water into the south end of the city.

Idaho National Guard troops aided in the evacuation. Traffic stopped on U. S. Highway 95-30 after it was covered to a depth of more than a foot.

Okanogan County in north central Washington was an isolated island, its 5,294 square miles, an area more than four times the size of Rhode Island, cut off.

Telephone communication was disrupted. Railroads were re-routing trains and highway travel was slow, risky or non-existent.

The rapid runoff appeared likely to continue—the forecast was for continuing warm.

GI Loan Interest Hike Predicted

COLUMBUS, Ohio (AP)—Congress can be expected to raise interest rates on GI home loans from 4½ to 5 percent "before very long," predicts the president of the Mortgage Bankers Assn. of America.

John F. Austin Jr. of Chicago told the Columbus Mortgage Bankers Assn. Tuesday night, however, that he does not believe Congress will "go beyond permitting a 5 per cent ceiling."

U. S. Envoy Quits Post in Hungary

BUDAPEST, Hungary (AP)—U. S. Minister Edward T. Waelles left Hungary today, in a final snub of Premier Kadar's government.

Unofficial Tally Said 207-186

Company, CWA Will Sign Today

By THE ASSOCIATED PRESS

Striking telephone workers have voted by a narrow margin to accept a contract that would end the 229-day strike against the Ohio Consolidated Telephone Co. unofficial returns revealed today.

The vote was 207 to accept the agreement and 186 to turn it down, according to unofficial reports from local units of the Communications Workers of America (CWA) whose members work in Ohio Consolidated exchanges serving 24 Ohio counties.

The agreement will be signed formally this afternoon if official returns bear out the unofficial figures.

Latest unofficial returns from St. Marys gave 15 favorable votes to 11 against, those from Cambridge gave 38 favorable votes and none against the contract. The Cady voting was 60 for and 31 against.

The union claimed 600 members including 300 in Scioto County, when the strike began last July 15. Since then many have obtained jobs elsewhere and some may not have turned out to vote.

THE PORTSMOUTH local, No. 4372, turned down the agreement 117-48, according to its president, Robert Arnett. Union members in Greenfield and Wilmington voted 44-0 to ratify the agreement. They belong to Local 4374, as do St. Marys members whose vote was not known. Circleville members of the same local voted 27-2 against the agreement.

In all some 600 CWA members were scheduled to have voted on the issue Tuesday.

Three CWA locals are involved in the strike. They are: Local 4372, with headquarters in

Shower of Money Rains in Chicago In Gusty Wind

CHICAGO (AP)—Gusty winds brought a shower of money—as well as rain showers—on Michigan Avenue Tuesday.

The money—\$810 in 10s, 20s and a \$100 bill—came from the purse of Mrs. Ruby East, 39, as she was walking near the Drake Hotel. She was unaware her purse had opened until a man shouted, "Lady, your money is blowing out!"

Mrs. East frantically ran after the bills, which whipped down sidewalk and gutter and blew across the street in front of buses and cars. Two other women ran to help her. The women, dodging traffic, rounded up \$410. The missing money included the \$100 bill.

Mrs. East said she had the money in her purse because she intended to pay her life insurance.

Girl, 4, Missing In New Jersey

BELLMAR, N. J. (AP)—Meager clues bolstered hopes today that a four-year-old girl missing since Monday had been kidnapped and was still alive.

It was a view shared by the grieving parents of Mary Jane Barker who pleaded with anyone holding their child to "please leave her at the nearest church."

There was no evidence of kidnapping, no ransom note—but police, like the parents, clung to the theory because of one fact: a puppy that Mary Jane was playing with shortly before she disappeared Monday also is missing.

Contract Signed for Freeway Survey

By THE ASSOCIATED PRESS
The State Highway Department signed a contract with a consulting engineer Tuesday to pick a route for a long stretch of freeway between Columbus and Wilmington.

The department hired Elmer S. Barrett Associates of Chillicothe to select the best route in Franklin, Pickaway, Madison, Fayette and Clinton Counties in the general vicinity of Route 3 (CCC Highway).

The Record-Herald announced on Jan. 19 that the State Highway Department planned to hire the Barrett firm to make the survey from

a point 15 miles southwest of Columbus to Route 72, about two miles southwest of Sabina a total distance of approximately 37 miles.

About a month ago the department hired another engineering firm to survey the route from Cincinnati to Wilmington. Both studies, preliminary to preparing design plans, are to be finished sometime this summer.

THE NEW ROAD will be one section of a freeway the department plans between Cincinnati and Northeastern Ohio as a replacement

for the proposed North-South toll road. It is on Ohio's portion of the Federal Interstate Highway System and is eligible for 90 per cent federal aid.

COLUMBUS, Ohio (AP)—The Ohio Department of Highways has announced the federal government will pay the major share of a multi-million dollar road improvement program for some 23 miles of Ohio highways.

The department said Tuesday six separate agreements have been signed with the government.

Part of the costs will be paid by the state.

Included among the projects are:

Improving 6 miles of U. S. 46 in Licking County in the Kirtlandville area, at a cost of \$4,582,490; federal share, \$4,123,341.

Improving 5.6 miles of U. S. 25 in Auglaize and Allen counties from near Lima to south of the Allen County line at a cost of \$743,150; federal share, \$688,835.

Improving 1.5 miles of U. S. 63 in Greene and Clinton counties at a cost of \$379,950; federal share, \$139,975.

The Weather
Occasional rain ending to night. Thursday partly cloudy, becoming a little warmer in afternoon. Low tonight 25-30.

Phone Union OKs Pact Ending Strike

Soviets Disgust U. S. GI Turncoat

HONG KONG (AP)—The youngest American turncoat of the Korean War left Red China today saying he quit the Communist mainland in disgust over the "wanton killing by Russia in Hungary."

Samuel David Hawkins, now 23, declared he had made it plain to the Red Chinese authorities he wanted to leave because of the Soviet Union's action in putting down the Hungarian rebellion.

The Oklahoma City youth, only 21 when he defected to the Reds, reported that the Chinese did not try to stop him.

Hawkins is the seventh to come home of 21 U. S. soldiers who were captured during the Korean

fighting and chose to remain with the communists. One died in China and 13 are still there.

The returnee came from Canton to the border by train and crossed the border through a road bridge on foot. He was met by U. S. Vice Consul S. M. Backe.

Backe questioned him and said he was satisfied the youth had not forfeited his U. S. citizenship. Hawkins will be given a one-way passport to the United States.

His citizenship would have been forfeited automatically if it had been found that he had served in a foreign army, voted in a foreign election, or done similar things. He was dishonorably discharged from the Army in 1954.

Hawkins said he considered the 42 months he spent in Red China "pretty much wasted."

"I feel I've made pretty much of a fool of myself," he added.

Asked by reporters if any of the 13 American servicemen still remaining with the Communists intend to return to "the U. S.," Hawkins replied "perhaps."

"Perhaps they (the Chinese) would be much happier if they left," he said, but refused to name those to whom he referred.

"I personally don't like it," Hawkins said of the Red Chinese regime, "but if the Chinese like it, I have nothing to say. They seem to."

Hawkins said there was "not so much" free thinking among Chinese students. He added that he got his information on the Hungarian rebellion from Hungarian students in Peiping. He said he also listened to the Voice of America and other non-Communist broadcasts.

Hawkins termed the Chinese attitude toward Russians in China "quite good. They call them 'big brothers' and go all out for them."

Hawkins said he went into combat Aug. 22, 1950, and was taken prisoner Dec. 1.

He ran a prison camp newspaper, he added, and was "termed progressive," a tag given prisoners who collaborated with their captors. A "certain element of fear" made him decide not to return to the United States after the truce was signed, he continued.

Farmers Prefer Cash Payoff in Soil Bank Setup

WASHINGTON (AP)—Farmers who retired land from production of surplus crops under the new soil bank program last year preferred to take their payments in cash rather than in surplus grains.

Legislation establishing the program permits farmers to take payments either in surplus crops or money. Sponsors hoped that many farmers would take the crops — a development which would save government cash outlays and at the same time reduce government crop surpluses.

But of the \$246,043,000 farmers earned under the program last year, only \$4,374,000 was taken in the form of crops, which were mostly oats for livestock feed in areas of tight feed supplies.

Farmers who take crops get an extra 5 per cent over those who take cash.

U. S. Envoy Quits Post in Hungary

BUDAPEST, Hungary (AP)—U. S. Minister Edward T. Wailles left Hungary today, in a final snub of Premier Kadar's government.

Contract Signed for Freeway Survey

Part of the costs will be paid by the state. Included among the projects are:

Improving 6 miles of U. S. 46 in Licking County in the Kirtlandville area at a cost of \$4,582,490; federal share, \$4,123,341.

Improving 5.6 miles of U. S. 25 in Auglaize and Allen counties from near Lima to south of the Allen County line at a cost of \$743,150; federal share, \$688,835.

Improving 1.5 miles of U. S. 65 in Greene and Clinton counties at a cost of \$379,950; federal share, \$139,975.

Unofficial Tally Said 207-186

Company, CWA Will Sign Today

By THE ASSOCIATED PRESS
Striking telephone workers have voted by a narrow margin to accept a contract that would end the 229-day strike against the Ohio Consolidated Telephone Co. unofficial returns revealed today.

The vote was 207 to accept the agreement and 186 to turn it down, according to unofficial reports from local units of the Communications Workers of America (CWA) whose members work in Ohio Consolidated exchanges serving 24 Ohio counties.

The agreement will be signed formally this afternoon if official returns bear out the unofficial figures.

Latest unofficial returns from St. Marys gave 15 favorable votes to 11 against, those from Cambridge gave 38 favorable votes and none against the contract. The Cadiz voting was 60 for and 31 against.

The union claimed 600 members including 300 in Scioto County, when the strike began last July 15. Since then many have obtained jobs elsewhere and some may not have turned out to vote.

THE PORTSMOUTH local, No. 4372, turned down the agreement 117-48, according to its president, Robert Arnett. Union members in Greenfield and Wilmington voted 44-0 to ratify the agreement. They belong to Local 4374, as do St. Marys members whose vote was not known. Circleville members of the same local voted 27-2 against the agreement.

In all some 600 CWA members were scheduled to have voted on the issue Tuesday.

Three CWA locals are involved in the strike. They are: Local 4732, with headquarters in

Shower of Money Rains in Chicago In Gusty Wind

CHICAGO (AP)—Gusty winds brought a shower of money—as well as rain showers—on Michigan Avenue Tuesday.

The money—\$610 in 10s, 20s and a \$100 bill—came from the purse of Mrs. Ruby East, 39, as she was walking near the Drake Hotel. She was unaware her purse had opened until a man shouted, "Lady, your money is blowing out!"

Mrs. East frantically ran after the bills, which whipped down sidewalk and gutter and blew across the street in front of buses and cars. Two other women ran to help her. The women, dodging traffic, rounded up \$410. The missing money included the \$100 bill.

Mrs. East said she had the money in her purse because she intended to pay her life insurance.

Girl, 4, Missing In New Jersey

BELLMAR, N. J. (AP)—Meager clues bolstered hopes today that a four-year-old girl missing since Monday had been kidnapped and was still alive.

It was a view shared by the grieving parents of Mary Jane Barker who pleaded with anyone holding their child to "please leave her at the nearest church."

There was no evidence of kidnapping, no ransom note—but police, like the parents, clung to the theory because of one fact: a puppy that Mary Jane was playing with shortly before she disappeared Monday also is missing.

Voters Telling Ohio Senators To Cut Budget

WASHINGTON (AP)—Ohio members of Congress report heavy pressure from back home for reduction of President Eisenhower's \$72 billion budget.

The cries, many from businessmen who voted for the President, add up to one phrase: "Cut it."

An aide to Sen. Bricker (R-Ohio) said, "Our mail on this subject equals or more than equals mail on all other topics."

In the office of Sen. Lausche (D-Ohio), an assistant reported, "Our volume of mail is about 300 pieces a day from Ohio. Of that, I would say about 35 per cent mentions the budget."

Throughout his mail, a Bricker aide reported, "there is a strong theme of disappointment among people who voted for Eisenhower."

A businessman commented: "When our present administration first came into power, we were told that the activities of the central government were going to be reduced, that many of the functions would be passed back to the states."

"Now this policy apparently has been reversed and we see the addition of more services offered and added expenses in every department."

Another man told Bricker: "The foreign aid phase surely can be classified as a failure. The increasing allotments to further the federal government's paternalistic projects does not fulfill what we thought we would get when we supported Republican candidates."

Judge Outlines His Views on Red Probes

WASHINGTON (AP)—Supreme Court Justice William J. Brennan Jr. says he favors congressional exposure of Communists but felt in 1954 "we ought to regain our perspective."

That was his reply Tuesday to questions from Sen. McCarthy (R-Wis.), who in 1954 was busy investigating Reds as chairman of the Senate Investigations subcommittee. But Brennan testified he had no specific investigating committees in mind when he referred in speeches to "witch hunts."

In advance of a second public hearing called by the Senate Judiciary Committee for today, Sen. Clifford P. Case (R-N.J.) said he was confident the Senate would confirm Brennan's nomination by an "overwhelming vote."

Brennan, a Democrat nominated by President Eisenhower last month, already is sitting on the court under a recess appointment made last fall after the retirement of Justice Sherman Minton.

The jurist said that in his speeches in 1954 and 1955 he had been "taking as an American speaking his piece about a scene that was bothering me."

He said it is important that congressional committees have the "complete confidence of all of us" and "I just felt . . . we ought to regain our perspective in order to do a better job of licking this thing."

Ohio Airman Shot In Rifle Mishap

WASHINGTON (AP)—Airman Clarence W. Duemmel, 19, of South Zanesville, Ohio, was shot by another airman while patrolling a security area at nearby Andrews Air Force Base Tuesday.

A spokesman at the base said the shooting was accidental.

According to the report, Duemmel was shot in the left thigh and groin by two 30 caliber bullets fired from the cabin of Airman Leman B. Farrar, 20, Morning-side, Md.

Duemmel was taken to Bolling Air Force Base Hospital, where his condition is serious.

Mainly About People

Franco Shakes Up His Government

MADRID (AP)—Generalissimo Franco has reorganized his government to strengthen Spain's economy and to "meet modern needs."

The strength of the Falange in the Cabinet was trimmed but the Monarchists remain the largest faction.

The shakeup, first since 1951, brought in young men and new faces. It was Franco's answer to the country's rising inflation, political strife and public unrest.

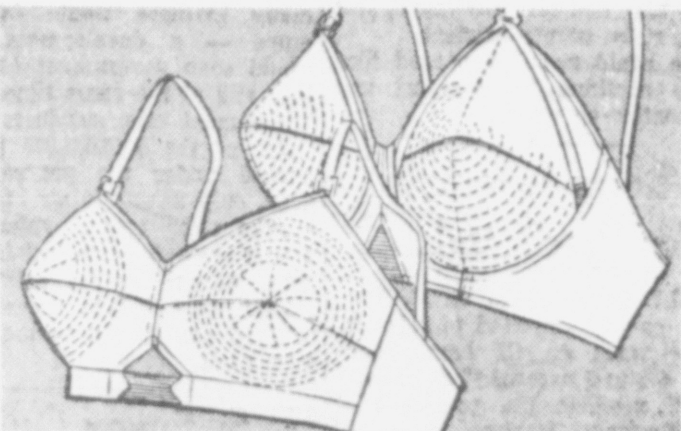

An office of economic coordination was created. There was also a new ministry of housing to meet increasing complaints about the housing shortage.

Harris-Intertype Merger Arranged

CLEVELAND (AP)—Directors of the Harris-Seybold Co. of Cleveland and the Intertype Corp. of New York have approved merger of the two firms, subject to approval of the stockholders.

The Cleveland firm is primarily a producer of printing presses while Intertype specializes in typesetting equipment. The combined organization would be known as the Harris-Intertype Corp. It would have annual sales amounting to about \$60 million.

Mollet-Like Conferences Narrow Split

WASHINGTON (AP)—French Premier Guy Mollet was scheduled to end his talks with President Eisenhower today reportedly convinced they have helped narrow a split in French-American policies.

Optimistic reports came also from James C. Hagerty, White House press secretary, who told questioning newsmen there "certainly was" a great deal of progress made at two conferences and a formal luncheon Tuesday.

The talks have been aimed not so much at reaching specific agreements as at healing a breach which followed the French and British invasion of Egypt last fall. The United States had protested that move.

Israel, which moved in first, still has troops stationed in two areas claimed by Egypt, and has rebuffed U.N. demands for withdrawal.

As a result of Tuesday's discussions, top French diplomats said Mollet now is confident the Israeli troop withdrawal problem can be settled without drastic United Nations sanctions.

Mollet is known to have argued strongly against any such punishment of Israel during two intensive talks at the White House.

Hagerty reported that the Middle East crisis topped the list of problems surveyed by the two Western leaders. He declined to provide any details.

Phone Pact Vote

(Continued from Page One)
Portsmouth, Ohio Consolidated workers in Portsmouth and surrounding Scioto County.

Local 4373, with headquarters in Cadiz. It has principal exchanges at Cadiz, Cambridge, Adena, Smithfield, Dillonvale and Tiltonsville.

Local 4374, with headquarters at Wilmington. Principal exchanges are at Wilmington, Circleville, Greenfield and St. Marys.

Negotiators for both sides are scheduled to meet at the Seneca Hotel in Columbus this afternoon to sign a formal end to the 226-day strike if the strikers return a favorable vote.

J. Curtis Fletcher, CWA national director, said during the secret balloting Tuesday: "I'm very optimistic as to the outcome of the membership ratification meetings."

Fletcher said the union negotiating committee recommended that each local approve the pact.

If the agreement is ratified and signed by both sides, terms of the new contract will be made public today, union and company spokesmen said.

Ohio Consolidated officials said that as soon as the contract is signed, the company will be ready immediately to rehire strikers applying for reemployment.

COMPANY REPAIR CREWS Tuesday began the task of restoring telephone service in Scioto County.

A wave of cable-slashing completely blacked out service in the area Friday for the third time since the strike began.

Emergency service will be restored to hospitals, police and fire departments within a few days, company officials said, but they added it will probably take several weeks to restore normal service to residences.

COMPANY REPAIR CREWS Tuesday began the task of restoring telephone service in Scioto County.

Emergency service will be restored to hospitals, police and fire departments within a few days, company officials said, but they added it will probably take several weeks to restore normal service to residences.

Zanesville Couple Is Killed by Fumes

ZANESVILLE (AP)—Police said escaping fumes from an unvented gas heater apparently caused the death Tuesday of Raymond Steele, 81, a retired grocer, and his wife, Ida, 80, in their home here.

The couple had been dead about two hours when their bodies were discovered by telephone repairman, police said.

Eastern Dairymen Staging Strike for Hike in Prices

NEW YORK (AP)—State troopers patrolled highway today in section of New York, New Jersey and Pennsylvania to curb further violence in a milk price strike, now in its third day.

Reinforced state police detachments were ordered out as the strike grew in momentum. The strike thus far has been marked by sporadic outbreaks of gunfire, dynamiting, truck stoppages, picketing, fist fights and milk contamination.

There have been no serious injuries, but several men have been arrested.

A thousand tons of milk have been spilled on the ground or otherwise destroyed as a small group of dairy farmers pressed demands for a higher price for raw milk.

Only an estimated 3,500 of the 11-state area's 45,000 dairymen applying the New York City metropolitan milkshed are said to be involved. The strikers are members of the Tri-state Master Dairy Guild.

THE MILK Marketing Administration said that about 10 per cent of the metropolitan area's milk supply was withheld Tuesday. It caused no hardship to housewives. Affect-d were 48 of the area's 381 processing plants, an increase of 17 over the previous day.

The plants normally produce 10 million quarts of milk a day. Withheld Tuesday were 2,048,925 pounds of milk, sufficient for almost a million quarts of milk.

City Health Commissioner Leona Baumgartner said it has had no effect on the fresh milk supply.

Rev. John W. Dorney, executive secretary of the guild, predicted that the strike would widen with some 25,000 dairymen participating by Saturday. His claim was disputed by leaders of other dairymen's organizations.

The Mutual Federation of Independent Cooperatives in Syracuse, N. Y., said, "All responsible dairy farmer organizations in this milkshed are opposed to this strike."

The United Milk Producers, claiming a membership of 1,900 New Jersey, said it would take no part in the boycott.

The guild is demanding payment of \$5.75 per hundredweight of milk or about 12.4 cents a quart.

Rev. Mr. Dorney, a Congregational minister, said the new price would barely cover the cost of production. The present price per hundredweight is \$1.75 or about 9.8 cents a quart.

It retails in New York City for about 24 or 25 cents a quart.

Temperatures will average near normal to 3 degrees below normal; normal high 40 north to 46 south; normal low 24 north to 28 south. Cool Thursday, warmer Friday, colder Saturday or Sunday and warmer about Monday. Precipitation will average near two-tenths of inch in showers about Sunday.

Deputies Thwarted By Balky Cruiser

FRESNO, Calif. (AP)—There are some embarrassed deputies in the Fresno County sheriff's office.

They maintained a vigil for five days near a vacant farmhouse where thieves had stashed a stolen safe.

Tuesday a deputy saw a light in the house.

Three deputies piled into their cruiser, but couldn't start it.

When they finally got to the safe, via a borrowed pickup truck, they found it opened and \$174 missing.

The strength of the Falange in the Cabinet was trimmed but the Monarchists remain the largest faction.

The shakeup, first since 1951, brought in young men and new faces. It was Franco's answer to the country's rising inflation, political strife and public unrest.

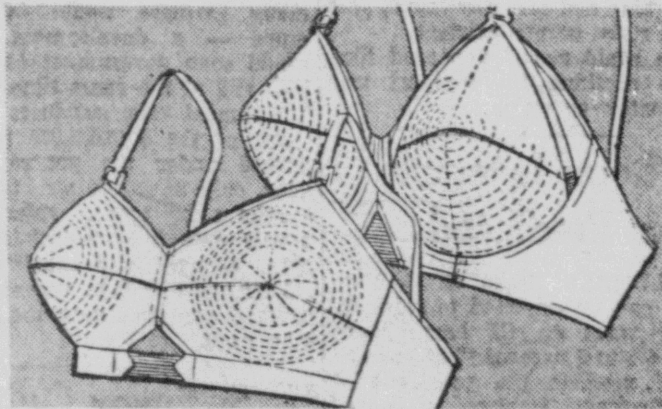

An office of economic coordination was created. There was also a new ministry of housing to meet increasing complaints about the housing shortage.

Harris-Intertype Merger Arranged

CLEVELAND (AP)—Directors of the Harris-Seybold Co. of Cleveland and the Intertype Corp. of New York have approved merger of the two firms, subject to approval of the stockholders.

The Cleveland firm is primarily a producer of printing presses while Intertype specializes in typesetting equipment. The combined organization would be known as the Harris-Intertype Corp. It would have annual sales amounting to about \$60 million.

Mollet-Like Conferences Narrow Split

WASHINGTON (AP)—French Premier Guy Mollet was scheduled to end his talks with President Eisenhower today reportedly convinced they have helped narrow a split in French-American policies.

Optimistic reports came also from James C. Hagerty, White House press secretary, who told questioning newsmen there "certainly was" a great deal of progress made at two conferences and a formal luncheon Tuesday.

The talks have been aimed not so much at reaching specific agreements as at healing a breach which followed the French and British invasion of Egypt last fall. The United States had protested that move.

Israel, which moved in first, still has troops stationed in two areas claimed by Egypt, and has rebuffed U.N. demands for withdrawal.

As a result of Tuesday's discussions, top French diplomats said Mollet now is confident the Israeli troop withdrawal problem can be settled without drastic United Nations sanctions.

Mollet is known to have argued strongly against any such punishment of Israel during two intensive talks at the White House.

Hagerty reported that the Middle East crisis topped the list of problems surveyed by the two Western leaders. He declined to provide any details.

Phone Pact Vote

(Continued from Page One)
Portsmouth. This includes Ohio Consolidated workers in Portsmouth and surrounding Scioto County.

Local 4373, with headquarters in Cadiz, has principal exchanges at Cadiz, Cambridge, Adena, Smithfield, Dillonvale and Tiltonsville.

Local 4374, with headquarters at Wilmington. Principal exchanges are at Wilmington, Circleville, Greenfield and St. Marys.

Negotiators for both sides are scheduled to meet at the Seneca Hotel in Columbus this afternoon to sign a formal end to the 226-day strike if the strikers return a favorable vote.

J. Curtis Fletcher, CWA national director, said during the secret balloting Tuesday:

"I'm very optimistic as to the outcome of the membership ratification meetings."

Fletcher said the union negotiating committee recommended that each local approve the pact.

If the agreement is ratified and signed by both sides, terms of the new contract will be made public today, union and company spokesmen said.

Ohio Consolidated officials said that as soon as the contract is signed, the company will be ready immediately to rehire strikers applying for reemployment.

Company Repair Crews

Tuesday began the task of restoring telephone service in Scioto County.

A wave of cable-slashing completely blacked out service in the area Friday for the third time since the strike began.

Emergency service will be restored to hospitals, police and fire departments within a few days, company officials said, but they added it will probably take several weeks to restore normal service to residences.

Zanesville Couple Is Killed by Fumes

ZANESVILLE (AP)—Police said escaping fumes from an unvented gas heater apparently caused the death Tuesday of Raymond Steele, 81, a retired grocer, and his wife, Ida, 80, in their home here.

The couple had been dead about two hours when their bodies were discovered by telephone repairman, police said.

Eastern Dairy Men Staging Strike for Hike in Prices

NEW YORK (AP)—State troopers patrolled highway today in section of New York, New Jersey and Pennsylvania to curb further violence in a milk price strike, now in its third day.

Reinforced state police detachments were ordered out as the strike grew in momentum. The strike thus far has been marked by sporadic outbreaks of gunfire, dynamiting, truck stoppages, picketing, fist fights and milk contamination.

There have been no serious injuries, but several men have been arrested.

A thousand tons of milk have been spilled on the ground or otherwise destroyed as a small group of dairy farmers pressed demands for a higher price for raw milk.

Only an estimated 3,500 of the U.S. area's 45,000 dairymen applying the New York City metropolitan milkshed are said to be involved. The strikers are members of the Tri-State Master Dairy Guild.

THE MILK Marketing Administration said that about 10 per cent of the metropolitan area's milk supply was withheld Tuesday. It caused no hardship to housewives. Affecting 48 of the area's 381 processing plants, an increase of 17 over the previous day.

The plants normally produce 10 million quarts of milk a day. Withheld Tuesday were 2,048,925 pounds of milk, sufficient for almost a million quarts of milk.

City Health Commissioner Leona Baumgartner said it has had no effect on the fresh milk supply.

Chrysler Labor Dispute Settled

DETROIT (AP)—Company and union negotiators reached agreement early today on settlement of grievances which threatened to halt assembly operations and idle 100,000 employees at Chrysler Corp.'s Detroit area plants.

A joint statement said all issues involving some 23,000 members of UAW Local 3 at Chrysler's Dodge Main plant were resolved.

Terms of the settlement were not disclosed. It must be ratified by the membership.

At issue in the strike threat were a list of grievances including union charges of a speedup of production standards. The company denied the speedup charge.

Deputies Thwarted By Balky Cruiser

FRESNO, Calif. (AP)—There are some embarrassed deputies in the Fresno County Sheriff's office.

They maintained a vigil for five days near a vacant farmhouse where thieves had stashed a stolen safe.

Tuesday a deputy saw a light in the house.

Three deputies piled into their cruiser, but couldn't start it.

When they finally got to the safe, via a borrowed pickup truck, they found it opened and \$174 missing.

Army Said Losing Missile Project

WASHINGTON (AP)—Secretary of Defense Wilson says there will be only one intermediate range ballistic missile. He gave a strong hint Tuesday that it will be the Air Force's Thor rather than the Army's Jupiter.

Wilson said the Army project has been "canceled," but that the Army would continue testing its Jupiter for a time. Parts of the Jupiter might go into the final version of the 1,500-mile range rocket.

Last fall Wilson ruled the Air Force would be the service to use the IRBM, with the Army confined to use of shorter range missiles. He did not say specifically which service would proceed with the program except to rule out the Army.

Rubbing with snow is never advisable in treatment of frost bite. Holding the frost bitten part against another part of the body to aid thawing is better.

The speaker was Joseph O'Brien, a comparative newcomer to Washington C. H. who, with his family,

Distribution Discussion Set For Coop Meet

Members of the Fayette County Co-operative Assn. are going to learn some of the basic principles of distribution and sales at the annual stockholders meeting in the high school auditorium here at 8 p. m. Friday, Clarence Cooper, the general manager, said.

They also are to be given a summary of the past year's business and a financial report.

Cooper is compiling the highlights of the year's business and Ray Hobson, vice-president of the state Farm Bureau Co-op in charge of distribution, will discuss marketing methods.

Hobson, a native of Warren County, attended Wilmington College and the University of Cincinnati. He started with the Montgomery County Farm Bureau Co-op in 1937.

Three directors also are to be elected at this meeting from among seven candidates, including the three directors whose terms expire this year. Up for re-election are Ralph Agle, Robert I. Case and Roscoe Duff. Other nominees are Glenn Heistand, Eugene Avery, Willard Kirk and Wilbur Hoppes.

Directors whose terms do not expire are Maurice Sollars, Thomas Braden, Ralph Theobald and Lowell Kaufman.

The meeting is for members and their families and to entertain the families there will be two TV personalities, Billy Scott and Helen Harris, with songs and novelty numbers.

4-H Club Activities

WE DO O-D IT

The We-Do-Od-It 4-H Club met Monday night, Feb. 25, at the home of Rosalyn, Nancy, and Bill Marting, with all members present.

The president, Robbie Hagler, opened the meeting. Henry Roszmann called the roll and gave the secretary's report. Pat Scott collected dues and reported \$91.01 in the treasury.

John Rhoad, a new member, was welcomed into the club. He will have swine as his project.

Advisor Barton Montgomery passed out project books which were worked on by all.

It was decided to make donations to the Heart Fund, Mothers March on Polio, The Cancer Fund, and the Community Chest.

Further work was done on the year's program. The next meeting is to be a health meeting planned by John Rhoad and Nacny Marting, Health and Safety Leaders.

The steer tours which are to be April 6 and April 13 were also discussed.

Refreshments were served by the host and hostesses.

The next meeting will be March 11, at 7:30 at the home of Pat and Jay Scott.

Jr. Leaders are Robbie Hagler, Pat Scott, and Rosalyn Marting. Advisors are Barton Montgomery and Sam Marting, Sr.

Limestone Hopper Kills Worker, 51

KENTON (AP)—Part of a hopper containing about 25 tons of pulverized limestone fell Tuesday on Martin Hall, 51, of Forest, crushing him to death.

The accident occurred while he was loading his truck at a quarry in McVitty.

Ground Observer Corps Needs Observation Post

The Ground Observer Corps here needs a place to observe from.

That's the word of Air Force Sgt. Warren Wagner, Columbus, chief of GOC operations in this area. He said the corps—more than 50-strong in this area—needs some sort of a base of operations here before it can really do its job right.

The Corps, active here for several years, has never had a permanent observer post, although they've come close on some occasions, Sgt. Wagner said. Materials for constructing an observation center have been donated, and even land has been offered, but the property has never been suited to the GOC's peculiar needs, he added.

And, until the post is located, he pointed out, the large and enthusiastic membership isn't of much value.

Sgt. Wagner announced at the same time that he was interested in getting more adults participating in the post's activities. Most of the

50 are teenagers, he said, and although he expressed appreciation for the young people's help, he said he wished more adults would join the organization.

In this regard, he commented that he would be glad to discuss the corps with any organization that would like to hear about it. He can be reached at the Air Force Filter Center, 1473 W. Fifth Ave., Columbus.

Postal Accidents Show Decline

WASHINGTON (AP)—Postmaster General Summerfield says accidents involving postal vehicles "were reduced in 1956 to the lowest total in modern history."

But, he added, the 16,000 traffic mishaps last year involving a cost of \$1,200,000 show "the matter of motor vehicle safety still offers a tremendous challenge."

These accidents, in 750 million

5 Good Democrats Picked by Eleanor

NEW YORK (AP)—Mrs. Franklin D. Roosevelt has named five men she said would make good Democratic presidential candidates in 1960.

The list did not include Adlai Stevenson, whom she supported in two unsuccessful bids for the presidency.

She said she "would be happy" to see any of these Democrats make the race:

Sen. Wayne Mors of Oregon, Gov. C. Mennen Williams of Michigan, freshman Sen. Joseph Clark of Pennsylvania, Gov. Edmund Muskie of Maine, and Chester Bowles, former governor of Connecticut and former U.S. ambassador to India.

miles of driving by 97,000 employees, resulted in 21 deaths and 334 injuries and added up to a rate of 2.14 accidents per 100,000 miles of driving he said.

Machinery Being Set Up Here For Paying Korean Vet Bonus

Plans for helping Korean War veterans apply for their state bonus today are beginning to take form, but Bernard Witherspoon, the veterans service officer for Fayette County, admitted they are still somewhat nebulous.

Witherspoon, who has been designated as the county's bonus representative also, estimated that there are between 700 and 800 Korean War veterans eligible to the bonus. These would be the men and women who served with the armed forces between June 20, 1950 and July 19, 1953, he said.

The bonus will be paid, Witherspoon said, at the rate of \$10 per month for service in the United States and \$15 per month for service outside continental United States. Service in Hawaii or Alaska is classed as foreign service. Sea duty is considered \$15 a month foreign service for Navy veterans. The maximum bonus any veteran may receive is \$400.

Bonus application forms, Witherspoon said, will not be available here before next month (the exact date is uncertain) and when they are, they probably will be placed in headquarters of the veterans organizations, banks and some places of business as well as at the Soldiers Relief Commission office in Memorial Hall.

MAJ. GEN. CHESTER W. Goble, director of the Korean Conflict Compensation Fund, said all agencies planning to help veterans fill out their bonus applications should notify their county representative (Witherspoon here) of the number of applicants they expect to serve.

"This should be done as soon as possible," Gen. Goble said in a special released just received by Witherspoon.

Gen. Goble also said an educational and training program will be held in each county before the application blanks are sent out in March, but Witherspoon said he knows none of the details for the program yet.

W. Forrest Woodmansee, assistant bonus director, explained in a news release from Columbus, that the educational and training program is designed "to inform veterans of their responsibility in an expedited bonus payment program and to train persons to assist veterans as they fill out their application forms."

He pointed out that many of the questions now being raised about eligibility will be answered during the training program before application blanks are available.

Woodmansee warned organizations against conducting so-called "informative meetings" without first obtaining authentic information through the bonus administration.

Alabama-born Tallulah Bankhead received her first stage acclaim in London in 1923 in a play called "The Dancer."

Bonus application forms, Witherspoon said, will not be available here before next month (the exact date is uncertain) and when they are, they probably will be placed in headquarters of the veterans organizations, banks and some places of business as well as at the Soldiers Relief Commission office in Memorial Hall.

MAJ. GEN. CHESTER W. Goble, director of the Korean Conflict Compensation Fund, said all agencies planning to help veterans fill out their bonus applications should notify their county representative (Witherspoon here) of the number of applicants they expect to serve.

"This should be done as soon as possible," Gen. Goble said in a special released just received by Witherspoon.

Gen. Goble also said an educational and training program will be held in each county before the application blanks are sent out in March, but Witherspoon said he knows none of the details for the program yet.

W. Forrest Woodmansee, assistant bonus director, explained in a news release from Columbus, that the educational and training program is designed "to inform veterans of their responsibility in an expedited bonus payment program and to train persons to assist veterans as they fill out their application forms."

He pointed out that many of the questions now being raised about eligibility will be answered during the training program before application blanks are available.

Woodmansee warned organizations against conducting so-called "inform a time meetings" without first obtaining authentic information through the bonus administration.

Alabama-born Tallulah Bankhead received her first stage acclaim in London in 1923 in a play called "The Dancer."

A Former Neighbor Salutes The Farmer

Dr. Norman Vincent Peale, noted clergyman, now of New York City, syndicate writer and the author of many best sellers on the art and joy of living, was at one time a resident of near Bowersville and only a short distance across the Fayette County line in Greene County.

There are a number of Fayette County people who say they remember him as a boy in this locality. They have watched his progress with pleasure and have deep respect for his rising importance as a minister and a man of letters.

Recently this prominent writer and lecturer had some things to say favorably about "agriculturists and morals" which ought to be pleasing to residents of Fayette County who regard their home county as an agricultural community.

In speaking before a Pennsylvania Farm Show audience at Harrisburg not long ago, Dr. Peale told his hearers that farmers as a group have "the best morals of any people, because they live close to life itself and are in closer tune with the forces of God." Dr. Peale added that he regards the farmer as a "substantial character" with greater moral values than other segments of the population.

Maybe the popular clergyman was lay-

ing it on a bit thick — since he was addressing hundreds of farmers—but most of us will admit there was a lot of truth in what he said. Farmer folk are closer to the miracles of the creation than any other class; they know the Source of the harvest.

Most of us like to feel that in this respect the potato grower in Maine, the wheat and corn growers of Ohio and the rest of the Middle and Central West, the fruit grower of New York and Pennsylvania and the Pacific Coast, the cotton grower and farmer of Dixie and the citrus and vegetable growers of the South are truly "brothers under the skin" and therefore men of integrity and common sense. No one will claim for a moment that they are perfect or that they do not have their moments of petty rivalry and jealousy — but many do believe with Dr. Peale that for their freedom from the much-too-common maladies of tension and irritability, they are to be envied and respected.

It certainly wouldn't be amiss if the rest of us could get sufficiently close to the soil to emulate their example and to learn that their sterling attributes and attitudes would be most helpful to all of us.

Teen-Agers Not Half-Baked

By Hal Boyle

NEW YORK (AP) — America's new cherry pie baking champion says it is unfair to the nation's youth to regard teen-agers as half-baked.

She believes there are more problem children among adults. "Some grownups certainly don't behave as well as the average teen-ager," said Mary Ann Bartholomay firmly.

"The stories you hear about wild teen-agers concern only a few, a very few. Most of them will grow up to be fine citizens." Mary Ann, blonde, poised and pretty, is a 17-year-old high school senior from Henrietta, N. Y. who won a \$500 college scholarship and an electric range by winning the 25th national cherry pie baking contest over 150,000 other girl and boy contestants between the ages of 14 and 20.

She clinched the title in Chicago in a drama-and-pie-packed bakeoff victory over 50 other finalists. Her other rewards were a trip to New York City and Washington, D. C., and a chance

to bake a pie for President Eisenhower.

Her triumph was no accident. Miss Bartholomay, who baked her first pie at 11, went into serious training last August. Since then she has baked several hundred pies, experimenting with dozens of recipes. Some of the pies her family ate, some were sold at church suppers, a few she gave to her high school principal (she makes good grades).

Her prize-winning secrets: She put in four drops of almond flavoring to lend her pie piquancy, and instead of using either lard or vegetable shortening exclusively to make the crust, she used 1-3 cup of each.

Here is how life looks to teenage Mary Ann, only child of a steam shovel operator in a small town in the suburbs of Rochester.

"No, I don't drink or smoke. I go to a school that has about 1,400 students, from kindergarten through the 12th grade.

"I'm on the school yearbook

staff, and I'm in the senior play, the senior chorus and like to play intermural sports. I also teach Sunday School and help my mother, who is active in 4-H Club work.

"I like to sew and knit and my mother and I make most of my clothes.

"I want to become a home economics teacher, then get married at 23 and have two or three children, and live in a middle sized town. My husband? He must be considerate and happy, not necessarily handsome, financially secure although not really loaded.

"Yes, I like rock 'n' roll music, but I like classical and semiclassical music better.

"What do I think is wrong with grownups? Nothing's wrong with most of them.

"The teen-agers need them as a guiding hand, but sometimes grownups should also leave us alone so that we may learn to depend on ourselves in this world."

I give you a great champion—Mary Ann!

State Department Troubles

By George Sokolsky

One of the major difficulties that besets the Eisenhower administration is the increasing unpopularity of the State Department among members of Congress, equally among Republicans and Democrats.

This has little to do with policy; it has much to do with personality.

Members of Congress who have to vote appropriations for various bureaus and departments are growing very tired of being treated as though they were too dumb to know what goes on in the world and this is especially annoying to some members who, by education and experience, are better informed than, or as well as, the State Department men who come before them.

When Herbert Hoover Jr. was appointed as undersecretary of state, it was clearly stated that his position was administrative. It was hoped that he would be able to reorganize this sprawling department which during war years had naturally grown to enormous proportions. He never had a chance.

The little bureaucrats who hold down various divisions and bureaus played every trick of their little trade against him, not because they were in any way opposed to him but because they coalesce against outsiders as a matter of career habit and because reorganization could only mean the breaking down of the empires which each had built for himself.

One of the major tricks that has developed during the Eisenhower administration is an insistence among the State Department bureaucrats that everything must go through channels; that those who discuss department affairs with members of Congress without going through their immediate chiefs, are disloyal.

It is amusing to me that some who are most insistent upon protocol were among those who in the days of the McCarthy hearings were known as the pro-American underground.

But now, as some of these men have advanced to power, they perhaps want to make sure that no one acts toward members of Congress as they did when they were in lesser positions. I write

this piece without names because I prefer to deal with a situation rather than with personalities; nevertheless, it does shock one to find how a little position can go to one's head.

What makes this situation important is not that certain individuals get drunk with power, as even you or I might, but that all this is developing into a situation between Congress and the State Department which is not good for the country.

One of the situations that has caused considerable buzzing in the intrigue which has developed in the State Department against Miss Frances Knight who has been modernizing and humanizing the passport office which required a new approach because of the enormous increase in the numbers of Americans who wish to travel.

The principal objection to Miss Knight is that she went outside of the State Department for studies of the problems of the passport office, getting assistance from those who are experienced in modern office management and who understand the utilization of modern machinery and of manpower based on time studies.

Her cardinal sin was not modernization but seeking aid outside the department even though that is precisely where the best aid could be found.

Rep. John J. Rooney, of Brooklyn, chairman of a subcommittee of the Appropriations Committee, seems to have adopted the attitude that all changes are offensive and that those which Miss Knight is making are unnecessary, the passport office having got along without them for many years. As he is chairman of the subcommittee which decides on State Department appropriations, he is a man to be catered to and those who do not recognize his importance are liable to experience unexpected rudeness.

Rooney is a Democrat, his district including a section of Brook-

lyn which has always been Democratic and in which his family has lived for more than 85 years. In the present Congress, he is a man of power, but he cannot help those whose empire building has become so arrogant and irritating as to offend other members of Congress.

The story now goes that the White House is conscious of the irritations and that some of these men are about to be given embassies abroad to get them away from Washington, which is no solution.

What is needed is a reorganization of a department which has become too big, too sprawling, too inchoate to deal with the complex problems that face it.

Diet and Health Make Certain Shoes Fit Child Properly

By HERMAN N. BUNDESEN

A large number of foot defects among children can be traced to faulty footwear.

Not only must you make sure your youngster has shoes of the proper size, you must also be certain the shoes are made correctly and of the right materials.

Heavy shoes appear to be more durable and you might be tempted to buy them on the theory that they won't wear out so quickly. But their very ruggedness might be injurious to your tot's feet.

Bend Easily

Your youngster's feet, you must understand, are pretty plastic. They bend easily at the ball unless hampered by a firm substance such as a thick, heavy sole. Therefore, the soles of their shoes should be flexible.

I also suggest the soles be of a good grade leather and that the upper portions of the shoes be

made of a supple leather such as kid.

This will permit the normal expansion of the growing foot as well as help prevent athlete's foot and other skin diseases.

Germs thrive where there is darkness, moisture and heat, and in heavy shoes you are likely to have all three. So it's easy to see why feet need ventilation.

Let Feet "Breathe"

With the upper section of the shoes made of kid leather, your child's feet have a chance to "breathe."

The heels also should be of leather, according to the National Foot Health Council, with rubber top pieces. These rubber sections will help take up some of the shock experienced by any active youngster when playing and jumping about.

There's also another argument against getting heavy, sturdy shoes for your youngster. They may actually last too long. Even after a child has outgrown them they may still look good. It's important that no youngster be permitted to wear shoes that no longer fit.

QUESTION AND ANSWER

H. P.: If one ovary is removed by surgery, would the menstrual periods continue?

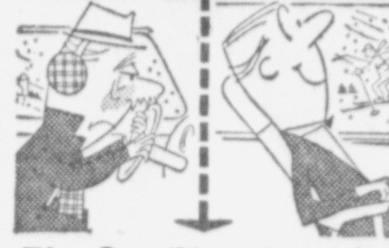

Answer: Removal of one ovary would not cause the menstrual periods to stop if the other ovary is functioning properly.

Hearing Booked In Store Slaying

CANTON (AP)—Preliminary hearing is scheduled March 7 in municipal court for Harry Dale Bundy, 39, of Zanesville, charged with first degree murder in the slaying of two men in a Uniontown grocery robbery. Judge Robert P. Wilson set the date after Bundy pleaded innocent.

The slaying occurred in the County Line Market, near the Summit County line, Nov. 23. The victims were Reynold P. Amodio, 30, of Canal Fulton, the store manager, and Paul E. Cain, 35, of Cuyahoga Falls, a clerk. Also charged in the slayings is Russell Thomas McCoy, 22, held in Zanesville.

4,000 Ohio Methodists Plan Parley

COLUMBUS—About 4,000 Methodists from across Ohio are expected to attend the Area Evangelistic Rally scheduled for next Tuesday in Veterans Memorial Building here.

Bishop Hazen G. Werner will preside over the morning session which will feature an address by Branch Rickey, a leader in organized baseball and a trustee of Ohio Wesleyan University.

Congregational singing will be directed by Dr. James R. Houghton of Boston University School of Theology and director of the Boston Seminary Singers. The Rev. Elwood Rose of the Ohmer Park Church, Dayton, will be at the organ.

A panel headed by Dr. J. Otis Young, director of the Concern, will set forth the practical phase of the evangelistic endeavor. Panel members will include Charles Bright, Stanley Jeffery, Earl Henderson and Howard Mumma, chairman of special functional committees.

An address by H. Roe Bartle, mayor of Kansas City, Mo., will keynote the afternoon session.

Bishop Werner, assisted by the

19 district superintendents and a lay representative from each of the districts, will lead the assembly in a closing ceremony of consecration and dedication.

Dr. John W. Dickhaut, superintendent of the Columbus district, is chairman of the committee on local arrangements for the meeting.

Personals

Mrs. Charles Hire, Mrs. Luke Musser, Mrs. Ormond Dewey were dinner guests of Mrs. O. B. Mason in Chillicothe, Tuesday evening. Other guests included Mrs. Joseph Paul, Mrs. James Morrow, Mrs. Matthew Borland, Jr., Mrs. Ben Judd and Mrs. Paul Van Voorhis. Later in the evening, Mrs. Dewey was guest speaker at the Women's Society meeting in the Presbyterian Church in Chillicothe.

Mr. and Mrs. Frank Grubbs returned Tuesday from a five weeks vacation in Florida which included visiting Tampa, St. Petersburg, Paint City and Lakeland. Highlights of their stay at Tampa were the Florida State Fair, Shriners Parade, Gasparilla (Pirate) Parade and the annual school children's parade.

Mr. and Mrs. Robert Huff have returned to their home in this city following a month's vacation in Miami, Fla.

Mr. and Mrs. Nathaniel Tway had as their dinner guests Tuesday evening, Mrs. Vernon Elliott, children Linda and Mark, Mr. Charles Elliott, all of Akron, Mr. Mart Elliott of Canton, Mr. A. W. Waln, Mr. and Mrs. Keith Zimmerman and children Sherry and Sandra.

Wedding Vows Are Exchanged February 25th

Mrs. Cynthia Pendleton of Mount Sterling, is announcing the marriage of her daughter Penny, to Mr. James P. Hutton, son of Mr. and Mrs. Walter Hutton, 608 E. Market St., of this city.

The double ring ceremony took place Monday afternoon, February 25th, in the chapel of the First Presbyterian Church in this city as the hands of the clock approached three o'clock, with the Rev. W. Neil Hand officiating.

The bride chose for her wedding a navy blue spring suit with which she combined blue accessories and her corsage was a purple throated orchid.

Mr. and Mrs. Hugh Gidding were the attendants.

Mrs. Gidding chose an orchid dress with matching flower hat and her corsage was of pink carnations.

Immediately following the ceremony, the couple left on a honeymoon to Florida, and upon their return will make their home at 832 Millwood Ave., where it is in readiness.

Two Birthdays Are Honored

Mrs. E. F. Armbrust entertained recently with a birthday anniversary dinner at her home honoring the birthday of her sister, Mrs. Harold Glass and also her own birthday.

The sumptuous meal was served at the noon hour and the dining room table was centered with a lovely birthday cake decorated with red roses.

Those enjoying the event were Mr. Harold Glass and children Oscar, Carl and Norma Jean.

During the afternoon informal visiting was greatly enjoyed and the two ladies were presented with many useful gifts from their immediate families, for which they expressed their appreciation.

Garden Club Members Meet At Ward Home

Mrs. Halsey Ward was a most gracious hostess to sixteen members and two guests of the Washington Garden Club Monday evening. The event celebrated the club's annual birthday party, thus marking the tenth year in garden activities.

Members and guests enjoyed a delicious covered dish supper served from two long tables, centered with floral arrangements of carnations and snapdragons and a three tiered birthday cake made by Mrs. Earl Horney, a ten year member.

During the evening, the party committee Mrs. Ray Bowers, Mrs. T. N. Willis, Mrs. Earl Horney and Mrs. Ed Hidy conducted a round of games with awards going to Mrs. Halsey Ward and Mrs. Elza Woodruff.

After the annual birthday gift exchange, the club president Mrs. Elza Woodruff presented a gift from the club to Mrs. Tom Mart-schinsky who is leaving this city to make her home in Indiana.

At the close of the delightful event, the hostess served the birthday cake and ice cream molds decorated with the figure ten, and ten year members present included Mrs. Ray Bowers, Mrs. Arthur Herbolzheimer, Mrs. Ed Hidy, Mrs. Earl Horney, Mrs. T. N. Willis and Mrs. Elza Woodruff.

Mrs. Ralph Brown and Miss Paulette Callender were included as guests for the evening.

Mrs. Dellinger Entertains at Class Meeting

Mrs. Frank Dellinger entertained members of the Willing To Help Class of McNair Memorial Presbyterian Church Tuesday evening and Mrs. Ed Richardson opened the meeting by leading in the devotions using the Eighth Chapter of Matthew followed with the praying of the Lord's Prayer.

Roll call was answered with short readings on "Prayer," and Mrs. Naomi Reif presided over the business meeting. Reports of the various committees were heard. A number of projects were discussed for the coming months and it was voted to contribute to the Presby-terian Advancement Fund, also further contribution to the church's building fund was discussed.

During the social hour a clever contest was enjoyed with Mrs. Homer Scott and Mrs. Ruby Larkin receiving favors.

Tempting refreshments were served by the hostess and it was announced that the March meeting will be held at the home of Mrs. Ray Wieland.

When dipping nutmeats into a fudge mixture to coat the nuts, put a little of the candy mixture into a small container to make the dipping easy. The rest of the fudge should be kept over hot water until needed.

Martha Washington Committee Holds Meeting at Terhune Home

The Martha Washington Committee, Daughters of the American Revolution held the February meeting Monday night at the home of Mrs. Robert Terhune.

Mrs. Robert Green, chairman, opened the meeting with the Pledge of Allegiance to the Flag and followed with the reading of the President General's Message. In the absence of the secretary, the minutes of the previous meeting were given by Mrs. Dean Powell and the treasurer's report was made by Mrs. C. P. Wagner.

The annual report of the Children of the American Revolution was given by the chairman of the C. A. R., Mrs. Richard Rankin. Sales tax stamps were collected and a contribution to the Helen Pouch Memorial Fund was made. Mrs. Green read a letter of appreciation for clothing from Charles Smith, a Navajo Indian student at the Chillicothe Indian Agricultural School in Chillicothe, Oklahoma. A discussion followed on the Fifty-Eighth Ohio DAR conference to be held in Dayton March 18, 19, and 20th. A nominating committee was selected consisting of Mrs. Robert Terhune, chairman, Mrs. Harold Hyer and Mrs. Ray French.

The contribution of a doll for the toy cart maintained at Fayette County Memorial Hospital, by the Martha Washington Committee was gratefully accepted from Mrs. H. H. Denton. The unique doll was brought from Europe by Mrs. Denton.

Following adjournment of the business session, Mrs. Green turned the program over to Mrs. Marion Rife who presented a very interesting talk on "The Religious Background of the Revolutionary

Period." She discussed the introduction of various churches and sects into the early colonies, the struggle to acquire and maintain a separation of church and state, some observances of the Sabbath and the contribution made to the Revolutionary War by the various churches.

Following the program, a delicious dessert in keeping with the patriotic season was served by Mrs. Terhune, assisted by Mrs. J. H. McWilliams, Mrs. Ray French and Mrs. Thomas Hancock.

Cheery Blue Birds Hold Regular Meeting

The Cheery Blue Birds of Cherry Hill School held their regular meeting Tuesday afternoon at the school with the leaders Mrs. Lowell Dadds and Mrs. Max Wilson supervising. Carol Cahall, president, opened the meeting with the Blue Bird Wish and a report was given by the secretary, Linda Whiteside including the roll call.

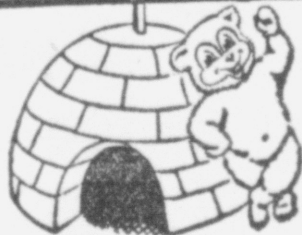

Various games were played and following recreational period, Lana Jamison and Clara Thomas served light refreshments. The meeting closed with the Friendship Circle.

For those who are tired of Mums and other year 'round potted plants, we are pleased to report that our Calceolarias are now ready for sale.

This unique "pocketbook plant" comes in a variety of brilliant colors, some blooms being brightly spotted. We invite you to stop in and inspect them.

Of course, we also have Mums, Azaleas, Cinerarias, African Violets and other plants as well, if you desire them.

Martha Washington Committee Holds Meeting at Terhune Home

The Martha Washington Committee, Daughters of the American Revolution held the February meeting Monday night at the home of Mrs. Robert Terhune.

Mrs. Robert Green, chairman, opened the meeting with the Pledge of Allegiance to the Flag and followed with the reading of the President General's Message. In the absence of the secretary, the minutes of the previous meeting were given by Mrs. Dean Powell and the treasurer's report was made by Mrs. C. P. Wagner.

The annual report of the Children of the American Revolution was given by the chairman of the C. A. R., Mrs. Richard Rankin. Sales tax stamps were collected and a contribution to the Helen Pouch Memorial Fund was made. Mrs. Green read a letter of appreciation for clothing from Charles Smith, a Navajo Indian student at the Chillicothe Indian Agricultural School in Chillicothe, Oklahoma. A discussion followed on the Fifty-Eighth Ohio DAR conference to be held in Dayton March 18, 19, and 20th. A nominating committee was selected consisting of Mrs. Robert Terhune, chairman, Mrs. Harold Hyer and Mrs. Ray French.

The contribution of a doll for the toy cart maintained at Fayette County Memorial Hospital, by the Martha Washington Committee was gratefully accepted from Mrs. H. H. Denton. The unique doll was brought from Europe by Mrs. Denton.

Following adjournment of the business session, Mrs. Green turned the program over to Mrs. Marion Rife who presented a very interesting talk on "The Religious Background of the Revolutionary

North Carolina Needs 1 More Cage Victory

Defeat of Duke '5' To Bring No. 1 Team Undefeated Season

By THE ASSOCIATED PRESS
The university of North Carolina Tar Heels need only to defeat Duke Friday night to complete their regular season undefeated.

Frank McGuire's precisionists, only major unbeaten team, made Wake Forest their 23rd straight victim Tuesday night 69-64 after overcoming an 8-point deficit in the second half.

Meanwhile, the see-saw race for individual scoring honors continued unabated. Last Saturday, Grady Wallace of South Carolina was top man. Sunday morning it was Joe Gibbon of Mississippi. Now it's Wallace again.

The Gamecock sharpshooter poured in 39 points to lead his club to a 98-96 triumph over The Citadel. He has scored an average of 30.48 points per game to 30.30 for Gibbon, whose team was idle Tuesday night.

Three other teams in the top 10 of the Associated Press poll played Tuesday night. Southern Methodist, No. 4, polished off Texas Christian 88-75 to run its record to 20-3, but sixth-ranked UCLA had its Pacific Coast title hopes jolted by Southern California 84-80.

Settle, No. 5, and a top contender for the National Invitation Tournament in New York next month, clubbed Portland 105-95. Elgin Baylor, the nation's third-ranking scorer, hit for 51 points for Seattle. His average now stands at 30.09.

Notre Dame, which came along with a rush in the second half of the season, won its seventh in a row and 11th in its last 13 starts by crushing Marquette 76-56.

North Carolina was given a king-sized scare by Wake Forest. With just 46 seconds to go, the Deacons led by 64-63. But they couldn't hold their act together.

Tar Heel ace Lennie Rosenbluth dropped in two free throws and North Carolina was out of the hole. Rosenbluth was high man with 30 points.

Half of Pro Lakers May Refuse Move

POCHESTER, Minn. (AP) — Johnny Kundla, coach of the Minneapolis Lakers, said Tuesday night that half of the pro basketball team possibly would remain in Minneapolis or retire if the franchise is transferred to Kansas City.

Berger, president of the club, signed a conditional sales agreement in New York earlier Tuesday with former baseball great Marty Marion and Milton Schumann. Berger said the team would go for \$150,000 if Minneapolis interests can't meet that figure by March 13.

Berger, who owns two-thirds of the National Basketball Assn. franchise, added it appears unlikely the money can be raised in Minneapolis and that the team would move to Kansas City.

Kundla said he talked with players when the original story came out that the two St. Louis men wanted to buy the franchise. He said half indicated an intention of staying in the Mill City or retiring, while the other half said they would stay with the team because they have three or four years of playing left.

Kundla, who said his own plans weren't definite, did not name any names.

Cleveland Losing Pan-Am Games

WASHINGTON (AP) — Rep. Charles A. Vanik (D-Ohio) says federal participation in the Pan-American Games scheduled for Cleveland in 1959 "is now a dead issue and cannot be resuscitated."

The Cleveland congressman said Tuesday that he had been advised by key members of the House Appropriations Committee that a proposed \$5 million appropriation to help finance the games probably won't even be submitted for House action.

Vanik, who favored the project, said some Ohioans in Congress have reversed themselves and now oppose the appropriation. He added that without federal participation the games probably will be called off.

Bloomington Wins

(Continued from Page One)
shooting was deadly—and the improvements continued as the game progressed.

Both teams used a zone defense almost exclusively. But the Bulldogs wrecked the Oak Hill strategy with a fast break that clicked time after time, especially during the late stages of the game.

The Bulldogs had their biggest trouble stopping Oak Hill's Dick Howell, a sensational outside shooter who connected with 10 looping shots from the field over the heads of the Bloomington defenders.

Coach Everett Rudolph had instructed the Bulldogs to "play it safe" and, as a consequence, the Fayette Countians took few long shots. Instead, they resorted to their fast break and drive-ins.

THE BULLDOGS were feeding Don Hidy for most of the drive-ins. While the defenders were holding him to 3 field goals, they were fouling him to block his shots; but that did not pay off for Oak Hill, because Hidy tallied 14 points on 16 free throws, an amazing record from the foul line.

Gary McConaughy, who shared scoring honors with Hidy, got most of his 8 field goals from close in at the end of a fast break. When McConaughy was covered, Bob Riley was there to take the pass, counting 5 field goals to give him a 12-point total.

The Bulldogs were backed by the biggest crowd of wildly happy and howling rooters at the tournament. They came from all over Fayette County, including many from Washington, C. H. One remarked that "there must not be anyone left in Bloomington."

And, most of them said they were all set to go back when the Bulldogs take on the boys from Fairland, third seeded team in the tourney, at 8:30 p. m. Friday in the second game of the evening.

Wilmington '5' Ends Regular Season Play

By THE ASSOCIATED PRESS
It was the end of things for a couple of college basketball teams Tuesday night.

For Wilmington, it was the end of its regular season schedule. For Muskingum, it was the end of the Muskies' hopes to become champions of the Ohio Conference.

Wilmington, in defeating Wilberforce 64-59 at Wilmington, finished the season with a 15-4 record. The Quakers go to Youngstown Monday for a game with Steubenville to determine an Ohio entrant in the NAIA tournament at Kansas City.

Marietta's upset 96-94 victory over Muskingum at Marietta made it impossible for the Muskies to catch conference-leading Capital University. Muskingum now has an 8-4 loop record, compared to Capital's 13-3 mark.

In other activity, DeJance's Yellow Jackets came from behind to defeat Wittenberg 53-48 at DeJance.

At Tiffin, Heidelberg's Student Princes hit 50 per cent of their floor shots to outdistance Hiram 106-93 in an Ohio Conference game.

Hiram has yet to win a conference ball game in 10 tries this season. Heidelberg's conference mark is 8-8.

Hebert Favored In Louisiana Test

BATON ROUGE, La. (AP) — The \$15,000 Baton Rouge Open Golf Tournament opens Thursday with a Louisiana native among the favorites for the first time.

Husky Jay Hebert of Lafayette, former Louisiana State University golfer, is the only professional with two victories on the winter tourney circuit this year.

Hebert, 34, now playing out of Sanford, Fla., won the Bing Crosby National Pro-Amateur Tournament and the \$20,000 Texas Open at San Antonio and was runner-up in the \$35,000 Los Angeles Open.

Lions Face Tough Team In Tournament Opener Tonight in Capital Gym

The Washington C. H. Lions, going into the first round of class AA basketball tournament play at Capital University tonight, will take on a Utica team with plenty of height, plenty of speed, but a minimum of class AA experience.

The Utica boys will be playing in the AA tournament for the first time this year. Last year, they were a class B team, having just grown over the line into the top bracket.

But basketball pundits say that doesn't mean a thing. They still have a classy, 14-4 record which they earned in tough competition, and they'll be a real match for the Lions cagers.

Lon Trickett, a 6-3 center with a talent for ball handling, has been high scorer for the Utica team through most of the season. Kelly Boyer, a shorter boy with a very good eye has been hitting the baskets, too.

Nevertheless, the chances are the Lions can beat them. If the

Cardinals Say They're Now Flag Threat

ST. PETERSBURG, Fla. (AP) — The acquisition of relief pitcher Hoyt Wilhelm "Makes us a definite pen n' threat," Manager Freddie Hutchinson, of the St. Louis Cardinals said today.

"It's always nice to get someone who can come in to get a guy out," Hutchinson said. "Wilhelm's that kind of someone. He'll help us where we need help the most."

Wilhelm, 33, a knuckleballer, was obtained by the Cards from the New York Giants Tuesday in exchange for outfielder-first baseman Whitey Lockman, who had gone to St. Louis from the Giants last June.

The deal filled a key vacancy for both clubs—giving St. Louis a badly needed right-handed relief pitcher and giving the Giants a first base replacement for Bill White, now in the Army.

Hutchinson said: "Whitey would have been playing a utility role for us this season, filling in either in the outfield or first base as he was needed. Wilhelm figures more in our plans."

"Having him around definitely makes us a pennant threat," General Manager Frank Lane, who negotiated the deal in a phone conversation with Giants' Vice President Chub Feeney in Phoenix, Ariz., said. "Wilhelm notified him Tuesday night he would join the Cardinals this week."

Pennsy Boy Dunks 92 Points in Tilt

CONFLUENCE, Pa. (AP) — College basketball scouts will be interested to note that Mike Kaswick of Shade-Central City high school tied the unofficial Pennsylvania scholastic scoring record of 92 points in a single game.

The 5-11 senior, who has scored 680 points in 15 games this season, was practically the whole show Tuesday night as his team whipped Turkey Foot Valley 107-53 in this southwestern Pennsylvania community.

Bob Mullery of St. Vincent, Plymouth, Pa., set the unofficial record of 92 points last week.

Edward Jeremiah, veteran Dartmouth College hockey coach, won seven varsity letters at the Hanover, N. H., school. He completed in hockey, football and baseball.

The University of North Carolina basketball team wears blue and white stockings to match their uniforms.

Gavilan Burning After Losing Nod In Martinez Bout

NEWARK, N. J. (AP) — Kid Gavilan, still burning over what he called "another hometown decision," and sharp shooting Vince Martinez were all set today to sign for return bout.

Martinez, 27-year-old, fourth-ranking welterweight contender from nearby Paterson, N. J., won the referee's decision over the 31-year-old ex-champ in an interesting 10-rounder Tuesday night.

Referee Joe Harrison, the only official under New Jersey rules, awarded the verdict to the pride of Jersey by a 6-3-1 rounds score. Twelve of 18 boxing writers at the ringside thought the Keed won. Four had Vince the winner while two had it even.

Syracuse Rips Lakers, 120-108

EW YORK (AP) — Syracuse center John Kerr scored 30 points as the Nationals battered the Minneapolis Lakers 120-108 Tuesday. The Nats moved to a game of the second-place Philadelphia Warriors in the National Basketball Assn. eastern division.

And the Lakers remained tied for third in the western division with Rochester, which lost to the Boston Celtics 92-77.

The fourth-place New York Knickerbockers stayed two games behind Syracuse by whipping the St. Louis Hawks 107-76.

Longden Nearing 5000th Victory

ARCADIA, Calif. (AP) — Johnny Longden's world record of lifetime winners stood at 4,999 today, and the 5,000th appeared as hard to get as his first one 30 years ago.

Longden was entered on four horses at Santa Anita today and his admirers were hoping for "just one more."

The 47-year-old Johnny had six mounts Tuesday. He won for No. 4,999 in the first race, but then finished second twice, third twice and fourth in the finale.

Stu Holcomb Irked by New Big 10 Rule

EVANSTON, Ill. (AP) — Stu Holcomb, Northwestern athletic director, criticized the Big Ten's new athletic aid code and said it is unfair to conference members unless the NCAA could be persuaded to make it nation-wide.

The plan grants athletes tuition, room, board and fees according to their needs.

Holcomb said numerous persons who had agreed to send their sons to Northwestern have withdrawn such promises, costing the Wildcats at least half a dozen potential football stars.

Northwestern voted against the plan which was passed 6-4.

Holcomb said under the plan athletes will be tempted to go elsewhere because they will not be able to earn extra money. Under the plan, an athlete who wants to work will have such earnings subtracted from the aid given.

"They would get board, room, tuition, books," Holcomb said, "but nothing for toothpaste, extra transportation home."

"Where do you think kids from middle class families will go if their dads have to furnish maybe \$400 or \$700 extra a year as against a full ride and \$15 a month for incidentals, plus a job?" Holcomb asked.

Holcomb also said that while some schools in the conference might have money enough to handout the 100 athletic scholarships under the regulations, Northwestern did not.

New Track Tagged For Sulky Fans

CLEVELAND (AP) — Purchase of Sportsman Park for a reported \$400,000 by a local harness racing syndicate headed by Walter J. McNeal has been announced here.

Purchased from Bedford Sports Park Inc., the track had been operated for auto racing.

The Ohio Racing Commission has approved Aug. 23 to Oct. 12 racing dates for the new track.

Wilmington '5' Ends Regular Season Play

By THE ASSOCIATED PRESS It was the end of things for a couple of college basketball teams Tuesday night.

For Wilmington, it was the end of its regular season schedule. For Muskingum, it was the end of the Muskies' hopes to become champions of the Ohio Conference.

Wilmington, in defeating Wilberforce 64-59 at Wilmington, finished the season with a 15-4 record. The Quakers go to Youngstown Monday for a game with Steubenville to determine an Ohio entrant in the NAIA tournament at Kansas City.

Marietta's upset 96-94 victory over Muskingum at Marietta made it impossible for the Muskies to catch conference-leading Capital University. Muskingum now has an 8-4 loop record, compared to Capital's 13-3 mark.

In other activity, Deiance's Yellow Jackets came from behind to defeat Wittenberg 53-48 at Deiance.

At Tiffin, Heidelberg's Student Princes hit 50 per cent of their floor shots to outdistance Hiram 106-93 in an Ohio Conference game.

Hiram has yet to win a conference ball game in 10 tries this season. Heidelberg's conference mark is 8-8.

Hebert Favored In Louisiana Test

BATON ROUGE, La. (AP) — The \$15,000 Baton Rouge Open Golf Tournament opens Thursday with a Louisiana native among the favorites for the first time.

Husky Jay Hebert of Lafayette, former Louisiana State University golfer, is the only professional with two victories on the winter tourney circuit this year.

Hebert, 34, now playing out of Sanford, Fla., won the Bing Crosby National Pro-Amateur Tournament and the \$20,000 Texas Open at San Antonio and was runner-up in the \$35,000 Los Angeles Open.

SPORTS

The Record-Herald Wednesday, Feb. 27, 1957 7 Washington C. H. Ohio

Lions Face Tough Team In Tournament Opener Tonight in Capital Gym

The Washington C. H. Lions, going into the first round of class AA basketball tournament play at Capital University tonight, will take on a Utica team with plenty of height, plenty of speed, but a minimum of class AA experience.

The Utica boys will be playing in the AA tournament for the first time this year. Last year, they were a class B team, having just grown over the line into the top bracket.

But basketball pundits say that doesn't mean a thing. They still have a classy, 14-4 record which they earned in tough competition, and they'll be a real match for the Lion cagers.

Lon Trickett, a 6-3 center with a talent for ball handling, has been high scorer for the Utica team through most of the season. Kelly Boyer, a shorter boy with a very good eye has been hitting the baskets, too.

Nevertheless, the chances are the Lions can beat them. If the

Washington C. H. team can play as it played against Greenfield, or as it played during late-middle season, there are some people who believe that no one in the tournament can beat them.

If the Lions win tonight, they will tackle the winner of the Worthington-Wes game scheduled for 7 p. m. at Capital. The second round match will be 7 p. m. Saturday.

Indications Wednesday morning were that there would be a big rooting section backing the Lions in their first tourney game. To get to Capital University, the Lion backers will drive straight through Columbus east on Main St. Capital University is on the south (right) side of the street.

Calhoun, Cotton Slated for Bout

DENVER (AP) — Young and confident Rory Calhoun and the more experienced Charley Cotton clash tonight in a televised contest of middleweights.

The 10-round event will be available to the nation's television screens over ABC at 10 p. m.

Calhoun, who won a decision over Cotton in New York last summer, is rated a 3-2 favorite.

Middleweight champion Gene Fullmer originally was matched to fight Cotton. Gene called it off because of a cut over the eye in a fight Feb. 18.

Dambach To Get Conservation Toga

CLEVELAND (AP) — The Ohio Outdoor Writers Assn. today announced selection of Dr. Charles A. Dambach of Worthington as its "man of the year in conservation."

Dr. Dambach was honored for his work as chief of the Ohio Wildlife Division, a post he formerly held, and in his present capacity as director of the Natural Resources Institute of Ohio State University.

Cardinals Say They're Now Flag Threat

ST. PETERSBURG, Fla. (AP) — The acquisition of relief pitcher Hoyt Wilhelm "Makes us a definite pen n't threat" Manager Freddie Hutchinson, of the St. Louis Cardinals said today.

"It's always nice to get someone who can come in to get guy out," Hutchinson said. "Wilhelm's that kind of someone. He'll help u where we need help the most."

Wilhelm, 33, a knuckleballer, was obtained by the Cards from the New York Giants Tuesday in exchange for outfielder-first baseman Whitey Lockman, who had gone to St. Louis from the Giants last June.

The deal filled a key vacancy for both clubs—giving St. Louis a badly needed right-handed relief pitcher and giving the Giants a first base replacement for Bill White, now in the Army.

Hutchinson said: "Whitey would have been playing a utility role for us this season, filling in either in the outfield or at first base as he was needed. Wilhelm figures more in our plans."

"Having him around definitely makes us a pennant threat," General Manager Frank Lane, who negotiated the deal in a phone conversation with Giants' Vice President Chub Feeney in Phoenix, Ariz., said. "Wilhelm notified Tuesday night he would join the Cardinals this week."

Pennsy Boy Dunks 92 Points in Tilt

CONFLUENCE, Pa. (AP) — College basketball scouts will be interested to note that Mike Kasnick of Shade-Central City high school tied the unofficial Pennsylvania scholastic scoring record of 92 points in a single game.

The 5-11 senior, who has scored 680 points in 15 games this season, was practically the whole show Tuesday night as his team whipped Turkey Foot Valley 107-53 in this southwestern Pennsylvania community.

Bob Mullery of St. Vincent, Plymouth, Pa., set the unofficial record of 92 points last week.

Edward Jeremiah, veteran Dartmouth College hockey coach, won seven varsity letters at the Hanover, N. H., school. He completed in hockey, football and baseball.

The University of North Carolina basketball team wears blue and white stockings to match their uniforms.

Gavilan Burning After Losing Nod In Martinez Bout

NEWARK, N. J. (AP) — Kid Gavilan, still burning over what he called "another hometown decision," and sharp shooting Vince Martinez were all set today to sign for a return bout.

Martinez, 27-year-old, fourth-ranking welterweight, contender from nearby Paterson, N. J., won the referee's decision over the 31-year-old ex-champ in an interesting 10-round Tuesday night.

Referee Joe Harrison, the only official under New Jersey rules, awarded the verdict to the pride of Jersey by a 6-3-1 rounds score. Twelve of 18 boxing writers at the ringside thought the Keed won. Four had Vince the winner while two had it even.

Syracuse Rips Lakers, 120-108

EW YORK (AP) — Syracuse center John Kerr scored 30 points as the Nationals battered the Minneapolis Lakers 120-108 Tuesday. The Nats moved to a game of the second-place Philadelphia Warriors in the National Basketball Assn. eastern division.

And the Lakers remained tied for third in the western division with Rochester, which lost to the Boston Celtics 92-77.

The fourth-place New York Knickerbockers stayed two games behind Syracuse by whipping the St. Louis Hawks 107-76.

Longden Nearing 5000th Victory

ARCADIA, Calif. (AP) — Johnny Longden's world record of lifetime winners stood at 4,999 today, and the 5,000th appeared as hard to get as his first one 30 years ago.

Longden was entered on four horses at Santa Anita today and his admirers were hoping for "just one more."

The 47-year-old Johnny had six mounts Tuesday. He won for No. 4,999 in the first race, but then finished second twice, third twice and fourth in the finale.

Stu Holcomb Irked by New Big 10 Rule

EVANSTON, Ill. (AP) — Stu Holcomb, Northwestern athletic director, criticized the Big Ten's new athletic aid code and said it is unfair to conference members unless the NCAA could be persuaded to make it national.

The plan grants athletes tuition, room, board and fees according to their needs.

Holcomb said numerous persons who had agreed to send their sons to Northwestern have withdrawn such promises, costing the Wildcats at least half a dozen potential football stars.

Northwestern voted against the plan which was passed 6-4.

Holcomb said under the plan athletes will be tempted to go elsewhere because they will not be able to earn extra money. Under the plan, an athlete who wants to work will have such earnings subtracted from the aid given.

"They would get board, room, tuition, books," Holcomb said, "but nothing for toothpaste, extra transportation home."

"Where do you think kids from middle class families will go if their dads have to furnish maybe \$500 or \$700 extra a year as against a full ride and \$15 a month for incidentals, plus a job?" Holcomb asked.

Holcomb also said that while some schools in the conference might have money enough to handout the 100 athletic scholarships under the regulation, Northwestern did not.

New Track Tagged For Sully Fans

CLEVELAND (AP) — Purchase of Sportsman Park for a reported \$400,000 by a local harness racing syndicate headed by Walter J. McEhall has been announced here.

Purchased from Bedford Sports-park Inc., the track had been operated for auto racing.

The Ohio Racing Commission has approved Aug. 23 to Oct. 12 racing dates for the new track.

 V X P C K - O C X K O C T K C E W F D .

Yesterday's Cryptogram: TALK OF THE DEVIL, AND HIS HORNS APPEAR, SAYS THE PROVERB — COLERIDGE.

Robinson Art Brings \$3 Million

NEW YORK (AP) — The bulk of actor Edward G. Robinson's art collection has been sold for more than \$3 million.

The sale is one of the largest transactions of its kind in this century.

E. Coe Kerr Jr., president of M. Knoedler & Co., century-old international art dealer firm, announced that the company had bought the Robinson art.

The actual price paid for the 58 paintings and one bronze—which made up all but 14 of the Robinson art works—was not disclosed. But Kerr said it was more than \$3 million.

'Community Needs' Topic Of Lions Club Discussion

A discussion of community needs was conducted by members of the Washington C. H. Lions Club at their regular meeting Tuesday night.

John Breiner, president, opened the forum by asking the members for suggestions or "gripes", and many ideas were presented for the club's directors to consider.

Among the suggestions: That street name signs be erected on all city streets; that the summer recreational program be brought back to provide broader handicraft, supervised play and educational facilities for boys and girls; that a better civil defense program be provided; that the Lions Club get

behind the boys Scout movement in the city and county; that a youth center be established to provide out-of-school facilities; that additional facilities be provided for the hospital including an auxiliary delivery table room and light.

DR. CHARLES PERSICK, chairman of "A Day in Dodge City" was complimented by the membership for the excellent stage show he directed on Feb. 12. This year's show was most successful both in terms of member participation and money raised for the club's sight-saving fund.

Members of the Lioness Club also took part in some of the acts, and Persick announced that unofficially \$1,100 will be realized as the club's profits.

Phil Grover was introduced as a new member. He was sponsored by Robert Lytton.

The club's Tail-Twister, Charles Buxton, announced this would be his last meeting since he is moving to Dallas, Tex., soon. Buxton has been promoted by his company. He will not move his family until the end of the school year. Club members expressed their regret in losing him and wished him well in his new location.

GEORGE INSKEEP, chairman of the sight-saving committee, reported that 41 cases have been handled since July 1956. They included examinations, new glasses purchased, lenses changed and frames repaired and two surgery cases. Inskeep announced that Dr. Stephen Barton, of Columbus, who maintains an office here two days each week donates his examination services for these cases.

The next meeting of the club will be held March 12, when members will bring as their special guests their sons and daughters.

Deaths, Funerals

Charles Ray

SABINA — Charles Ray, 76, died at 2 a. m. Wednesday in Mt. Carmel Hospital, Columbus, where he had been a patient for the last two weeks. He was stricken at the hospital while visiting his brother, Forie Ray of Grove City, who was a patient there at the time.

He was born in Jackson County, but spent most of his life in Sabina and Grove City. A C&O Railroad agent, he returned to Sabina about two years ago after his retirement.

He is survived by his wife; two sons, Ralph of Dayton and Earl of Xenia; two daughters, Mrs. Hazel Matson, Dayton, and Mrs. Helen Corwell, Grove City; five grandchildren and two great-grandchildren.

He also leaves four sisters, Mrs. Florence Mercer and Mrs. Ada Polk, both of Sabina; Mrs. Margaret Kocher, Columbus, and Mrs. Ruth Arehart, Grove City, and two brothers, Forie and Herman, Grove City.

Funeral arrangements, in charge of the Littleton Funeral Home, are incomplete.

Floyd Stuthard

Funeral services were held Monday for Floyd (Flick) Stuthard, 71, of Madison County, former Fayette County resident, who died in Mt. Carmel Hospital, Columbus. Burial was in Kirkwood Cemetery.

He formerly resided in the Yatesville community.

Browder-FDR Intermediary Gives Report

WASHINGTON (AP) — A woman artist has told the Senate Internal Security Subcommittee she served as an intermediary between President Roosevelt and Communist Earl Browder during World War II.

Miss Josephine Truslow Adams of New York testified before the subcommittee in a closed hearing Jan. 16. The testimony was released Tuesday.

Miss Adams told the subcommittee she often visited Roosevelt at the White House and at his Hyde Park, N. Y., home. She said it "became a routine, almost."

She said she stayed overnight at Hyde Park "several times," but never at the White House.

Browder, former No. 1 communist in the United States, was released from prison in May 1942 after Roosevelt commuted a sentence for passport fraud.

On one occasion, Miss Adams said, Browder gave her a paper reporting the Chinese under Chiang Kai-shek were using materials and troops, that were supposed to be fighting the Japanese, in fighting a civil war against the Communists.

"Browder gave it to me because he thought I could reach Mr. Roosevelt," she said. She went on to say that Roosevelt was worried about Chiang's caliber as a leader. "I think it would be going to great extremes and very unfair to think that Mr. Roosevelt wanted China to become Communist. It was far from his idea."

Author Raps Thwarting of News Reports

COLUMBUS (AP) — A former Baltimore editorial writer, author and commentator believes thwarting the Washington correspondent has become "the duty and the pleasure of every patriotic job-holder."

That was the remark of Gerald W. Johnson in the annual William Maxwell Memorial Lecture prepared for delivery today at the Press Institute of the Ohio State University School of Journalism.

Johnson, in the prepared lecture, criticized what he termed "a marked disposition in Washington to assume that one thing it is not good for the citizen to hear is a detailed account of the way his own government works."

Johnson called the trend toward monopoly, "now 81 per cent complete," the most significant newspaper development of recent years. But he observed that "in news coverage the press monopoly does not exist" because of stiff competition from radio and television.

But he said in the presentation of "opinion," the monopoly of the newspaper press is effective and that is the menace that the institution offers to American liberty.

Fremont Mayor Named in Lawsuit

FREMONT (AP) — A suit to recover \$1,880.10 in fines and costs filed in Mayor J. M. Collins' court in 1955 and 1956 was filed by Calvi Bristley Jr., solicitor, in Sandusky County common pleas court Tuesday on behalf of the city of Fremont.

The action resulted from a state examiner's finding in that amount. The mayor said he has personal records of all fines as well as court records.

Greenfield Murder Trial To Open Monday Morning

GREENFIELD — The first-degree murder trial of Robert Lee Curtis, 22, of Greenfield, will open next Monday at 9 a. m. in Highland County Common pleas court at Hillsboro.

Curtis is under indictment for the slaying and robbery of Durward E. Petty, taxi firm operator, in Greenfield the night of Dec. 8.

Following his apprehension the same night, authorities said Curtis signed a statement that he engaged Petty to take him to a S. Wash-

Drunk Driver Is Fined \$200

Only two cases were heard in Municipal Court Wednesday by Acting Judge Edmund S. Woodmansee, sitting in the absence of Judge Max Dice.

William H. Lucas, 29, Quaker City, Ohio, was fined \$200 and costs on a charge of driving while intoxicated. He pleaded not guilty but was found guilty. He was also given a jail sentence of 10 days, seven of them suspended, and his driving rights were revoked for one year.

Henry Steen, 24, South Charleston, was fined \$5 and costs on a speeding charge.

Mothers Guests Of Cubs of Den 4

Cubs of Den 4, Pack No. 20, entertained their mothers and a few guests at their regular meeting Tuesday afternoon at the home of the den mother, Mrs. Walter Haines.

Seven Cubs answered the roll call by naming their favorite flower. A drill and short program followed.

Refreshments, in a blue and gold color scheme, were served by Mrs. Haines and Mrs. Bart Mahoney, assistant den mother, to Wayne Bass, Worley Reed, Charles Moore, Michael Foraker, Jimmie Coldiron, Bart Mahoney, Danny Mahoney, Galen, Joe and Dale Haines, Mrs. Russell Moore and her daughter, Mrs. Harold Foraker, Mrs. James Coldiron and her daughters, Mrs. George Smith, Sally and Joan Smith, Patti Mahoney and Jimmie Davis, a Cub visiting here from Maine.

Man Tries Killing Ailing Wife, 60

CLEVELAND (AP) — A 72-year-old Cleveland Heights man critically injured his sick wife with a hammer Tuesday, said Police Lt. Charles Bythway, after writing a note about putting "my loving wife out of her misery."

Mrs. Edna Holland, 60, was taken to Huron Road Hospital.

Police said she had struggled with her husband long enough to reach a bedside telephone, dial the operator and scream.

Her husband, Roy, 72, was held at Cleveland Heights jail.

Two WCH Soldiers Now at Fort Knox

Raymond Ray Halley, 17, and Norman Brightman, 18, are in Fort Knox, Ky., now taking their basic training in the U. S. Army. Halley is the son of Mr. and Mrs. Charles Chaney, 227 Ohio Ave., while Brightman is the son of Mrs. Violet Brightman, 518 Peddicord Ave..

Both boys left here Feb. 18.

Girl Scout Troop 31 Enlarged at Meeting

Girl Scout Troop No. 31 became a reality Tuesday night at a meeting in the home of Mrs. Charles Killinder.

The new troop is made up of the Eagle and Red Wing patrols, along with a newly-formed cardinal patrol of Girl Scouts. The three groups will maintain separate identity as patrols, but they also will become part of the new organizational superstructure.

Carol Hyer was named scribe for the new group by girls at the meeting, while Jean Hamilton was elected treasurer and Karen Hyer, news reporter.

Karen Karney was named patrol leader of the Cardinal group and Donna Jean Schneider was appointed as her assistant. Leader of Red Wing patrol is Jo Ann Mowery and her assistant is Mary Bridwell. Sharon Schorr is leader of the Eagle Patrol, and Cheri McCune is her assistant.

Refreshments at last night's meeting were served by Vickie James and Karen Hyer.

Mrs. Charles Killinder is director of the Troop's operations. She is assisted by Mrs. Charles Schneider and Mrs. Frank Kearney.

The Three Lakes carry more than two thirds of all inland transport in the United States.

Two WCH Youths Take Navy Exams

Two Washington C. H. youths were in Columbus Wednesday for physical examinations as their first step into the U. S. Navy.

Preparing for basic training were Richard Allen Pennington, 17, son of Mr. and Mrs. Ralph W. Pennington, of 707 Clinton Ave., and David W. Pettit, 19, son of Mr. and Mrs. Arthur Pettit of near Washington C. H.

Both boys attended Washington C. H. High School. Pettit graduated in 1956. Both enlisted in the Navy on special aviation programs, Chief Philip G. Lee, Navy recruiter here, announced.

Mate Donald Parrett Aboard Aircraft Carrier

Electronic Engineer's Mate Donald Parrett, son of Mrs. Gladys Parrett, 610 Perdue Plaza, and Donald Parrett, Clemens Rd., is in with the U. S. Navy in San Diego now, stationed aboard the aircraft carrier U. S. S. Boxer.

Parrett was sent there after he finished electronics school at the Great Lakes Training Center, Great Lakes, Ill.

He did his basic training at Bainbridge, Md.

The National Beef Council reports that the six most prominent breeds of cattle in the U. S. are, in order of their numbers: short-horns, herefords, aberdeen angus, galloway, brahm and santa gertrudias.

U.S. Newsprint Output Seen Getting Boost

WASHINGTON (AP) — Sen. Potter (R-Mich.) said today a Senate newsprint investigation might point the way to two plans for boosting U. S. production of newsprint.

One, he said, would be a fast tax write-off provision to encourage construction of more newsprint plants in this country, which now is dependent on Canada for about three-fourths of its supply.

The other could be some form of government aid to develop cheaper power sources in Alaska, Potter said.

The senator is a member of the Interstate Commerce Committee which Tuesday opened hearings on newsprint prices and supply.

One witness said congress had held 25 newsprint investigations in the last 29 sessions.

This latest probe resulted from a \$4 a ton price increase recently announced by Canadian manufacturers. The increase is effective Friday.

Controversial Film Due To Be Aired On Milwaukee TV

MILWAUKEE, Wis. (AP) — The first television showing of the film "Martin Luther" has been scheduled for March 8 over a Milwaukee radio station.

E. C. Pommerening, executive secretary of the Wisconsin division of Lutheran Men in America, announced that the picture would be seen under "reputable commercial sponsorship."

A scheduled showing of the film over a Chicago station last December was cancelled because of what the station termed "emotional reaction" to the presentation. Protestant clergymen protested that the cancellation was provoked by "pressure" from the Roman Catholic Church.

5 Akron Kiddies Die as Fire Hits Home in Country

AKRON (AP) — Three of Mr. and Mrs. Robert Burgoon's five children are dead today as a result of a fire at their home in Coventry Township a mile south of here. The fire broke out late Tuesday night while Burgoon was taking his wife, Florence, to a downtown Akron restaurant, where she is employed.

The victims were Michael, 5; Pat, 2, and Susie, 7. Dragged from an upstairs bedroom by members of the township fire department, the children were pronounced dead of asphyxiation at hospitals here. Bobby, 8, and 1-year-old Jimmy were rescued from a downstairs bedroom.

55 'Lost' Graves Target of Search

CLEVELAND (AP) — The Independence Village Council is trying to locate 55 "lost" graves.

A village employee recently removed markers, dating back to the War of 1812, from veterans' graves in Mapleside Cemetery and planned to repaint them. However, when it came time to replace them, no one could remember where they belonged.

It turned out that there is no complete plan showing which were the veterans' graves in the municipal cemetery.

Car Is Damaged As It Hits Ditch

One car was damaged in an auto accident near the Del Rancho Motel on the CCC highway west Tuesday night.

Driven by Richard James Kenny, 24, of 2134 Renock Rd., Cleveland Heights, it went off the road and into a ditch about mid-evening. Sheriff Orland Hays' office reported.

Kenny told officers he was attempting to turn into the motel when lights of an oncoming truck blinded him and misled him into the ditch. He was not held.

'Community Needs' Topic Of Lions Club Discussion

A discussion of community needs was conducted by members of the Washington C. H. Lions Club at their regular meeting Tuesday night.

John Breiner, president, opened the forum by asking the members for suggestions or "gripes", and many ideas were presented for the club's directors to consider.

Among the suggestions: That street name signs be erected on all city streets; that the summer recreational program be brought back to provide broader handicraft, supervised play and educational facilities for boys and girls; that a better civil defense program be provided; that the Lions Club get

behind the boys Scout movement in the city and county; that a youth center be established to provide out-of-school facilities; that additional facilities be provided for the hospital including an auxiliary delivery table room and light.

DR. CHARLES PFERICK, chairman of "A Day in Dodge City" was complimented by the membership for the excellent stage show he directed on Feb. 12. This year's show was most successful both in terms of member participation and money raised for the club's sight-saving fund.

Members of the Lioness Club also took part in some of the acts, and Pferick announced that unofficially \$1,100 will be realized as the club's profits.

Phil Grover was introduced as a new member. He was sponsored by Robert Lytton.

The club's Tail-Whisper, Charles Buxton, announced this would be his last meeting since he is moving to Dallas, Tex. soon. Buxton has been promoted by his company. He will not move his family until the end of the school year. Club members expressed their regret in losing him and wished him well in his new location.

GEORGE INSKEEP, chairman of the sight-saving committee, reported that 41 cases have been handled since July 1956. They included examinations, new glasses purchased, lenses changed and frames repaired and two surgery cases. Inskeep announced that Dr. Stephen Barton, of Columbus, who maintains an office here two days each week donates his examination services for these cases.

The next meeting of the club will be held March 12, when members will bring as their special guests their sons and daughters.

Deaths, Funerals

Charles Ray

SABINA — Charles Ray, 76, died at 2 a. m. Wednesday in Mt. Carmel Hospital, Columbus, where he had been a patient for the last two weeks. He was stricken at the hospital while visiting his brother, Fomie Ray of Grove City, who was a patient there at the time.

He was born in Jackson County, but spent most of his life in Sabina and Grove City. A C&O Railroad agent, he returned to Sabina about two years ago after his retirement.

He is survived by his wife; two sons, Ralph of Dayton and Earl of Xenia; two daughters, Mrs. Hazel Matson, Dayton, and Mrs. Helen Corwell, Grove City; five grandchildren and two great-grandchildren.

He also leaves four sisters, Mrs. Florence Mercer and Mrs. Ada Polk, both of Sabina; Mrs. Margaret Kocharan, Columbus, and Mrs. Ruth Aehart, Grove City, and two brothers, Fomie and Herman, Grove City.

Funeral arrangements, in charge of the Littleton Funeral Home, are incomplete.

Floyd Stuthard

Funeral services were held Monday for Floyd (Flick) Stuthard, 71, of Madison County, former Fayette County resident, who died in Mt. Carmel Hospital, Columbus. Burial was in Kirkwood Cemetery. He formerly resided in the Yatesville community.

Browder-FDR Intermediary Gives Report

WASHINGTON (AP) — A woman artist has told the Senate Internal Security Subcommittee she served as an intermediary between President Roosevelt and Communist Earl Browder during World War II.

Miss Josephine Truslow Adams of New York testified before the subcommittee in a closed hearing Jan. 16. The testimony was released Tuesday.

Miss Adams told the subcommittee she often visited Roosevelt at the White House and at his Hyde Park, N. Y., home. She said it "became a routine, almost."

She said she stayed overnight at Hyde Park "several times," but never at the White House.

Browder, former No. 1 communist in the United States, was released from prison in May 1942 after Roosevelt commuted a sentence for passport fraud.

On one occasion, Miss Adams said, Browder gave her a paper reporting the Chinese under Chiang Kai-shek were using materiel and troops, that were supposed to be fighting the Japanese, in fighting a civil war against the Communists.

"Browder gave it to me because he thought I could reach Mr. Roosevelt," she said. She went on to say that Roosevelt was worried about Chiang's caliber as a leader. "I think it would be going to great extremes and very unfair to think that Mr. Roosevelt wanted China to become Communist. It was far from his idea."

Author Raps Thwarting of News Reports

COLUMBUS (AP) — A former Baltimore editorial writer, author and commentator believes thwarting the Washington correspondent has become "the duty and the pleasure of every patriotic job-holder."

That was the remark of Gerald W. Johnson in the annual William Maxwell Memorial Lecture prepared for delivery today at the Press Institute of the Ohio State University School of Journalism. Johnson, in the prepared lecture, criticized what he termed "a marked disposition in Washington to assume that one thing it is not good for the citizen to hear is a detailed account of the way his own government works."

Johnson called the trend toward monopoly, "now 81 per cent complete," the most significant newspaper development of recent years. But he observed that "in news coverage the press monopoly does not exist" because of stiff competition from radio and television.

But he said in the presentation of "opinion," the monopoly of the newspaper press is effective and that is the menace that the institution offers to American liberty."

Fremont Mayor Named in Lawsuit

FREMONT (AP) — A suit to recover \$1,880.10 in fines and costs missing in Mayor J. M. Collins' court in 1955 and 1956 was filed by Calvi Bristley Jr., solicitor, in Sandusky County common pleas court Tuesday on behalf of the city of Fremont.

The action resulted from a state examiner's finding in that amount. The mayor said he has personal records of all fines as well as court records.

Greenfield Murder Trial To Open Monday Morning

GREENFIELD — The first-degree murder trial of Robert Lee Curtis, 22, of Greenfield, will open Monday at 9 a. m. in Highland County Common pleas court at Hillsboro.

Curtis is under indictment for the slaying and robbery of Deward E. Petty, taxi firm operator, in Greenfield the night of Dec. 8.

Following his apprehension the same night, authorities said Curtis signed a statement that he engaged Perry to take him to a S. Wash-

ington St., address, that he stabbed Perry and robbed him of \$9 in currency and less than \$1 in change, that he then drove the cab down Creek Rd., where he threw Perry on the road and abandoned him, and left the scene.

Perry was found dead there, and Curtis was arrested at the Norman Mercer home on Rt. 70S where he had made his way after wrecking the taxicab.

Curtis was indicted on two counts: for premeditated murder, and for murder when perpetrating armed robbery.

HE ENTERED a plea of "not guilty by reason of insanity," and was committed by the court to Lima State Hospital for the Criminal Insane for observation where he was held to be legally sane.

Prosecutor Richard L. Davis said he will conduct the state's case himself, without co-counsel or assistant counsel.

Don Riley, of Greenfield, and James Hapner, of Hillsboro, are the attorneys appointed by Judge Darrell Hottle to defend Curtis.

A venire of 75 prospective jurors for the trial was drawn Feb. 4.

Davis said today that "eight or nine" of them have already been excused by Judge Hottle, and it is possible that still others may be excused.

In that event, he indicated, it may be necessary to draw an additional venire in order to obtain the 12-member jury and alternate.

Girl Scout Troop 31 Enlarged at Meeting

Girl Scout Troop No. 31 became a reality Tuesday night at a meeting in the home of Mrs. Charles Killinder.

The new troop is made up of the Eagle and Red Wing patrols, along with a newly-formed cardinal patrol of Girl Scouts. The three groups will maintain separate identity as patrols, but they also will become part of the new organizational superstructure.

Carol Hyer was named scribe for the new group by girls at the meeting, while Jean Hamilton was elected treasurer and Karen Hyer, news reporter.

Karen Karney was named patrol leader of the Cardinal group and Donna Jean Schneider was appointed as her assistant. Leader of Red Wing patrol is Jo Ann Mowery and her assistant is Mary Bridwell. Sharon Schorr is leader of the Eagle Patrol, and Cheri McCune is her assistant.

Refreshments at last night's meeting were served by Vickie James and Karen Hyer.

Mrs. Charles Killinder is director of the Troop's operations. She is assisted by Mrs. Charles Schneider and Mrs. Frank Kearney.

The Great Lakes carry more than two thirds of all inland transport in the United States.

Two WCH Youths Take Navy Exams

Two Washington C. H. youths were in Columbus Wednesday for physical examinations as their first step into the U. S. Navy.

Preparing for basic training were Richard Allen Pennington, 17, son of Mr. and Mrs. Ralph W. Pennington, of 707 Clinton Ave., and David W. Pettit, 19, son of Mr. and Mrs. Arthur Pettit of near Washington C. H.

Both boys attended Washington C. H. High School. Pettit graduated in 1956. Both enlisted in the Navy on special aviation programs, Chief Philip G. Lee, Navy recruiter here, announced.
